

Red Badge Checklist & Information

Check List Information:

+ The checklist is designed to help you become familiar with our Club as quickly as possible. The first four items are to help you become acquainted with our Club and the other Red Badge Members by attending the luncheon meetings, Red Badge meetings, three committee meetings, a Board of Directors meeting, and joining a committee of your choice. We also offer opportunities for the membership to get to know you, when you are a greeter, before the lunch meetings, meeting with five other Club members, and giving your Introductory Talk. Other requirements include participating in a Red Badge Service Project with other Red Badgers, taking an online Youth Protection Training class for Rotary International, and attending a District, or other Rotary Club, meeting.

Check List Process

As a Red Badge Member completes an item on the list, they should ask a Blue Badge Member to initial and date the item. The Club Policy is that a Red Badger should be able to reasonably complete the Checklist.

Blue Badge Presentation

When the checklist is almost complete, the Red Badger should notify the Red Badge Chair, and give the Red Badge Chair the Checklist. The RB Chair notifies the Club Secretary, who orders the Blue Badge. When the Blue Badge comes in, then the Club Secretary notifies the Membership Chair, the Club President, and your sponsor to schedule a Lunch Meeting date to present you with your Blue Badge.
