The Meeting, August 10, 2011

by Perkins, Rual

President Harris Brooks opened the meeting, Willie Casper lead the Pledge to our Flag and Pam Holt provided the invocation. Rual Perkins had another joke for us and Willie Casper had his ticket drawn.

He got the \$18 prize, but drew the 2 of ♣'s. The pot is nearing \$1,100 and will only be won by someone who has purchased a ticket. Guests were Susan Miller and Donna Perkins. Member Diane Brown received the "Club Builder Award" for her tireless efforts in improving our club.

Program chair Dan Steele, introduced Rotary District 5790 District Governor Sharon Miles to a proper standing ovation from our members. Sharron attended Southwest Texas State University and completed her formal education with a Doctorate from Baylor University in Education Administration. She retired after 39 years service in Texas Public Schools.

In 1999, she joined the Cleburne Rotary Club, and held numerous Rotary positions including President in 2002. She served as the District Database Administrator, Assistant Governor for three years, District Secretary, Chairman of the District Simplified Grant Committee, and is a member of the District Leadership Training Team. She congratulated our club after listening to the reports from our committee chairs and encouraged us to keep up the good work.

This week's Foundation Thought is about ...

by Steele, Dan

Our mission. —Doing Good in the World is more than a motto. It is our goal, our mission, and our reminder. It expresses in the clearest terms why we have a Foundation, and it challenges us to reach as far as we can to do the most good possible with everything we have. Our Foundation exists to support the good that we can do through Rotary. It expands our reach, increases our strength, and makes our service more powerful and more effective. Because of our Foundation we can, very simply, do more of our Rotary work.¶ • 2004-05 RI President Glenn E. Estess Sr.

Polio. Past District Governor John Jacob Zucker Gardiner says that —the experience of giving polio vaccine to little children in Ethiopia was transformational. The children • s faces were open and joyful

(mostly), and I realized that while their futures were not as bright as their faces, at least polio would not be part of their days to come. Rotary brings hope. Rotary • s work is never done.¶
