The Meeting, August 17, 2011

by Perkins, Rual

By Rual Perkins

President Harris Brooks opened the meeting and Janet Holland led the pledge to our flag. Diane Brown led the invocation and got her ticket drawn for the \$22 ticket prize. The draw of the card yielded a King of Clubs and the pot has grown to \$1089 with less than half a deck of cards left.

Guests were Vickie Brooks, Sue Boya and Weston Davis. The newly revised by-laws were approved as edited and final copies will be emailed to the members. Two important dates: September 10, "Membership Seminar" and December 8, "Club Social".

Program Chair, Rick Burciaga introduced today's guest speaker, Dr. Glenna Davis, OB-GYN, Mineral Wells' latest addition to its physician pool.

Dr. Davis is accepting new patients including expecting mothers, those with pelvic pain and other women's health issues, family planning and pms/pmdd issues. Her office is next door to the Waddy Pharmacy. She said her patients start as newborns, extend through puberty, child-bearing, post child-bearing through the ending of sexual activity (Did she say at age 72?). She was hesitant to make a blanket recommendation that all girls between the age of 12-20 take the Human Papillomavirus vaccine as the immune system will fight off the virus like any other virus, however after the age

This week's Foundation Thought is about ...

by Steele, Dan

Peace. Through the Rotary Peace Centers program, The Rotary Foundation and Rotarians can increase their effectiveness in promoting greater tolerance and cooperation among peoples, leading to world understanding and peace. Archbishop Emeritus and Nobel Peace Prize laureate Desmond Tutu has said: "Rotary Peace Fellows believe, and I believe, it is possible to have a world without war. It is possible to have a world without hunger.

Giving to the Foundation. "Some think that there is competition in Rotary between supporting local projects and giving to The Rotary Foundation. In fact, the more we emphasize what Rotary does for people through The Rotary Foundation, the more it increases our overall spirit of giving. When a club emphasizes giving to The Rotary Foundation, most often the club will discover increases in giving to local scholarship foundations, contributions to local community service, and greater participation in local hands-on projects because a club that gets into the habit of giving will give

more to all causes. â€™ Rotarian Ronn Kerr
