#### The Meeting, October 12, 2011

by Perkins, Rual

President Harris Brooks opened the meeting with his usually flair, Lottie Eubanks lead the pledge to the flag and Pam Holt lead the invocation. Rual Perkins had a joke and also got his ticket drawn. He failed to draw the Ace of spades, drawing the 3 of spades instead. The pot was at \$1414. Harris Brooks announced that we sold about \$150 Official Crazy Water Tee-Shirts. This should add about \$1000+ to the club's coffers.

Program chair Jimmy Walker presented a classification program which provided

some general information about investing that were some good rules to follow, such as: "by low and sell high" and "stock and bond portfolio's rise and fall in value". He also handed out a chart which showed that the investments that provided the greatest returns also showed the greatest losses and the investments that showed modest ups and downs also showed modest benefits over the long run.

Jimmy is a representative of Edward Jones where they say that rather than chasing the latest fad, they recommend a diversified approach that they believe will perform well over the long term while managing risk. They suggest meeting in person and on a regular basis so they can offer financial solutions that are specifically designed for the investor.

### This Week's Foundation Thought is about ...

by Steele, Dan

*Every Rotarian, Every Year. —Our world is filled with conflict and strife, but I believe that fundamentally, people are more alike than they are different. I believe the underlying causes of most of the conflict and strife are poverty, disease, hunger, and illiteracy. The work of The Rotary Foundation addresses all of these critical needs. My annual gifts to The Rotary Foundation enable me to do my small part, and these gifts are magnified by being added to The Rotary Foundation's resources to bring meaningful help to people in need.* — Past District Governor Tere Bergman

### Foundation Jackpot

by Steele, Dan

Rual Perkins had the winning ticket and took home \$19. He drew the King of Spades so the jackpot will be \$1532 going into the November 2 meeting.
