The Meeting, August 24, 2011

by Perkins, Rual

President Harris Brooks opened the meeting, Earl Medlin led in the pledge to our flag and Jimmy Walker led in the invocation. Mary Braddock got her ticket drawn, drew the 4 of club's, won \$19, but left a pot of \$1128 for another, more lucky winner. Guests were Cary Labbe, Melody Keller, Melissa Morgan and Danny Slattery and we were glad to welcome them all.

Program Chairman Wayne Sanderson of Cool City Avionics presented the program entitled "Announcement of Changes to Mineral Wells Airport".

A new Aviation Center is being developed at the Mineral Wells Airport which is serving the North Texas Aviation community. The hoped result is to build awareness of the airport, resulting in more traffic and more business. In 2010 the city commissioned a study on the airport for making recommendations for strategic growth. The city wants to utilize the Downing Heliport for aviation purposes.

Cool City Avionics will serve as anchor tenant in the new Aviation Business Center. The goals are to add new jobs at entry level, fully utilize the facilities and improve services for existing businesses. The city also plans to complete a new taxiway to the heliport the in 4th quarter of 2011. The intention is to provide opportunities to participate in multi-company projects and allow companies to bid on multi-million dollar projects.

Crazy Water Festival Booth Sat, October 8

by Steele, Dan

Our Rotary club will man a booth again this year to sell the "official" Crazy Water Festival t-shirts. Plans are for the t-shirt prices to be \$15 with youth shirts priced at \$12. We will have a better location this year in front of the Famous Water Company and the t-shirt size allotments will be adjusted. Plan to volunteer to work the booth and enjoy the fellowship with club members

Our booth at the Crazy Water Festival on Saturday, October 9, 2010, attracted attention all day long as Rotarians sold the "official" tshirt for the Crazy Water Festival. Thanks to all Rotarians who worked in our booth.

This week's Foundation Thought is about ...

by Steele, Dan

Polio. I was a Rotarian for many years and never contributed to The Rotary Foundation, because nobody ever asked me. Then one year, our club president made a plea for support for PolioPlus. Since my generation was hit hard by polio, I made a commitment to contribute every month. By the end of the year, it had become a habit to contribute each month, just like paying rent. That habit continues today, many years later, and each year I become more aware of how much good the Foundation does.

Foundation Jackpot

by Steele, Dan

Jim Ashby had the winning ticket and took home \$20. He drew the Joker and the jackpot will be \$1208 going into the September 14 meeting.

Rotary Foundation Motto and Mission

by Steele, Dan

Doing Good in the World

To enable Rotarians to advance world understanding, goodwill, and peace through the improvement of health, the support of education, and the alleviation of poverty.
