The Meeting, September 7, 2011

by Steele, Dan

President Harris Brooks opened the meeting...beginning his third month as President of our club. Payton Wall lead in the Pledge to our flag and Leon Cowen lead the Invocation. Instead of a joke, Rual Perkins asked members to pause during the day and remember the innocent victims killed in the 9-11 attack as well as those who voluntarily gave their life defending us from further harm. Jim Ashby drew the Joker. He took home \$22 and left \$1208 to be shared by another lucky person on another day. There were no guests. The shotgun raffle netted our club \$5,950. Your club will be manning a booth again at the Crazy Water Festival, selling the "Official Crazy Water T-shirts, taking Flag Subscriptions and handing out Rotary propaganda.

Program chair Diane Brown introduced Casey Lister from the Mineral Wells Art Association who presented the program.

Mr. Lister was born and raised in Mineral Wells and his father, Joe K. Lister and grand-father, Joe Lister were both past members of our Rotary Club. He has been a licensed Embalmer and Funeral Director for 9 years and works at Baum-Carlock-Bumgardner Funeral. Home Artistic painting is a hobby of his and he is currently treasurer for the local art association. The association was formed in 1967 and there are only 3 of the charter members remaining. The club is raising money by raffling a uniquely painted horse sculpture.

Crazy Water Festival Booth Sat, October 8

by Steele, Dan

Our Rotary club will man a booth again this year to sell the "official" Crazy Water Festival t-shirts. Plans are for the t-shirt prices to be \$15 with youth shirts priced at \$12. We will have a better location this year in front of the Famous Water Company and the t-shirt size allotments will be adjusted. Plan to volunteer to work the booth and enjoy the fellowship with club members

Our booth at the Crazy Water Festival on Saturday, October 9, 2010, attracted attention all day long as Rotarians sold the "official" tshirt for the Crazy Water Festival. Thanks to all Rotarians who worked in our booth.

This Week's Foundation Thought is about ...

by Steele, Dan

Supporting the Foundation. • Your life and mine will be valued not by what we take, but by what we give. What an appropriate quote for us Rotarians to live by and open our hearts and pocketbooks to support the works of The Rotary Foundation. Having a healthy foundation is the key to any nonprofit organization involved in the business of service to others, and Rotary is certainly that! We are in the business of giving “ giving of our time, our resources, our knowledge, and our love “ to make this world free of disease, hunger, poverty, and hopelessness.

– “ District Governor Deepa Willingham
