## Good Morning!

### Welcome to Chandler Horizon Rotary

#### Opening Exercises

Pledge: Doug Hawkins  
 Prayer: Marty Herder  
 Songs: Larry Gardner  
 Sgt.-at-Arms: Jim Hoenig

#### Program

Frequent Visitor Tim Schauer mann will present a program on his and Nancy's recent trip to the Amazon, complete with photos and Tim's lively narrative.

## Last Week

### Visiting Rotarian

Only one visiting Rotarian made up with us last week: Tim Schauer mann from Forest Grove, Oregon.

### Missing in Action

Eleven of our members were missing: Amanda Alburn, Garrett Brolsma, James Caskey, Sunday Etukeren, Doug Gardner, Tim Gibson, John Gizzo, Roger Morsch, Brent Patmos, Kristel Patton and Jerry Turner. Several of them are in Houston working on the CHRC reconstruction project.

### Makeup

James Caskey, Roger Morsch and Jerry Turner all made up at the Houston project.

### Songs, Fines & Such

President Theresa Clemmons conducted the meeting, Larry Gardner led us in song and Jim Hoenig conducted the fine session.

Kurt Rohrs and Doug Hawkins were late. Doug also added a buck for his grandson's achievements.

Greg Thornton forgot his Rotary pin and he added a buck for U-of-A hiring a new football coach. Terry Locke paid for receiving a phone call during the meeting.

Brad Raymond paid for a trip to the cabin and moving a shed from one side of his property to another. Chuy Ortiz paid \$2 for a trip to Alpine where he proved he can still ski and he also paid for his birthday. We sang "Happy Birthday" to him.

Cory Whyte paid \$5 for a trip to Pinetop and the work being done by our members in Houston. Ron Stevens paid for showing Bill Ryan a video during the fine session.

Tim Schauer mann paid \$10 in memory of his mom who passed away last week at age 94. She grew up in a sod hut with little in the way of modern facilities, yet she and her husband successfully started four businesses during their lifetime.

Larry Gardner paid for Teddi's recent bout with AFib, necessitating a trip to the hospital. She is doing better now.

And Jim Patmos won \$11 in the 50-50 drawing.

Marty Herder (left) thanks Detective Jeff Jacobs for his presentation.

### Program

Detective Jeff Jacobs from the Mesa Police Department addressed the subject: "Situation Awareness and Active Violence." He was introduced by Marty Herder. Det. Jacobs has been with the Mesa P.D. for 27 years where he is the lead firearms instructor. He also served on an FBI Task Force for three years.

He talked about motivation, noting that personal security is, in fact, personal. Everyone needs to make a personal commitment to survive, no matter what.

Situational Awareness means being aware of what is happening around you. His recipe for success: Awareness – Recognition – Action (ARA).

He talked about active violence which includes preparation and planning: mental, physical and emotional. Everyone is obligated to be aware.

He discussed the "cell phone epidemic" at length. We all knew to what he was referring because we all have been guilty of being so engrossed in our cell phones we have no clue what is going on around us. He calls it "being buried in our device."

He showed several videos, some involving audience participation, to emphasize his point, including a woman falling over a low wall in a *Please continue reading on page 2*

### Next Week

#### Opening Exercises

Pledge: Marty Herder  
 Prayer: Tiffany Jones  
 Songs: Larry Gardner  
 Sgt.-at-Arms: Jim Hoenig

#### Club Assembly

President Theresa Clemmons and Greg Thornton will conduct a Club Assembly as we continue preparations for our 25th annual Hole-in-One Contest.

Remember, we still need sponsors and daily prizes for our event. We would like to have them turned in by next week's meeting if at all possible.

Also remember to hand out shooter cards and sign up to work your shifts.

#### Houston Project

**EDITOR'S NOTE:** Doug Gardner sent in the following report this past Sunday on the progress of the CHRC team working on the rebuilding project in Houston.

I wanted to give you a report on the progress here in Houston. Jerry Turner and I arrived safely in Houston on Saturday, January 13 after a two-day drive from Phoenix with our trailer load of tools. On Sunday we connected with John Rudd, took a survey of the house and began preparation to begin work on Monday, the 15<sup>th</sup>.

The sheetrock was not as complete as anticipated, but that turned out to be a good thing. We found electrical work in the kitchen and family room that needed to be changed and installed before sheetrock.

On Monday, the 15<sup>th</sup>, we had Roger Morsch, James Caskey, Jerry Turner, John Rudd and myself onsite and we made good progress. Then a cold and ice storm hit Monday evening with temperatures dropping into the teens and near 10 degrees with the wind chill. The local authorities requested that all citizens stay off the roads on Tuesday, so we were not able to work that day.

On Wednesday, after the icy roads began to melt, we were able to get to the jobsite and make some progress. It remained cold most of the week so we have had some hard luck with the weather, but we continue to move forward as temperatures return to more normal levels.

At this point, I believe we have purchased the majority of the materials and it appears we will have sufficient funds to complete the job. If you have ever remodeled a house, you know there are always surprises and unanticipated issues and we have had some of those, but nothing real expensive.

We are thankful for Amy Hinchman and members of The Woodlands Rotary Club who are supporting us and have had several volunteers on *Please continue reading on page 2*

site for the last couple of days. Their help will be invaluable as we enter the second week.

A special thanks to James Caskey and Jerry Turner who have been onsite and now have returned home. James flew in last Sunday and worked three days before returning on Thursday. Jerry returned home on Saturday after spending eight days on the project. Bruce Dransfeldt arrived last night and will be here for the duration of the project and Roger Morsch and John Rudd will continue to assist in the coming week.

We continue to make progress every day. Most of the doors are hung, several rooms have been painted, and we plan to install cabinets on Monday with flooring to begin on Tuesday. It will be a busy week.

Terrie is amazed and very appreciative of all that is happening.

Thanks again for your support.

### SITUATION AWARENESS

mall because she was so buried in her device. Another involved counting the number of times a ball was passed among people while a gorilla walked through the middle of it, unknown to many of us.

He also related a personal experience involving Det. Jones, his wife, and another couple in a parking lot. He talked about denial and distraction with denial involving a lack of expectation.

Det. Jones noted his presentation usually lasts four hours, but he condensed it into 40 minutes. He was asked if he makes the presentation in schools, but he said he has trouble getting into schools because school officials are afraid "it might happen here."

It was one of our more memorable, enlightening and informative programs of the year.
