## Last Week

### Visiting Rotarian

Only one visiting Rotarian made up with us last week, Mark Thompson from Bismarck Far West, North Dakota. In addition, speaker Jamie Flesher brought along her husband, Doug.

### Missing in Action

Ten members were missing: Garrett Brolsma, James Caskey, Sunday Etukeren, Doug Hawkins, Marty Herder, Terry Locke, Brent Patmos, Kristel Patton, Ron Stevens and Cory Whyte.

### Makeups

Chuy Ortiz made up at the Hole-in-One.

### Songs, Fines & Such

In the absence of President Theresa Clemmons, Past President Roger Morsch conducted the meeting. Larry Gardner led us in song and Bill Ryan conducted the fine session.

Bill Ryan and Greg Thornton were late and each forgot his Rotary badge. Bill also forgot his Rotary pin. And Bill paid for his and Sharon's 44<sup>th</sup> anniversary.

Jerry Turner paid for the birthday of his son, who also is 44. Doug Gardner paid \$5 for Sharlene's birthday.

Bruce Dransfeldt paid for some friends visiting from Portland. Mark Thompson paid \$2 for arriving at home in time for 11 inches of snow.

In lieu of a fine, Roger Bonngard handed out more personalized note pads in thanks for special help with the Hole-in-One Contest, this time to Kristel Patton, Bruce Dransfeldt, Larry Gardner, Soo-San Stevens-Clarke, Brent Patmos, Jim Patmos, Brad Raymond and Nick Lacey.

Kurt Rohrs paid \$4 for a trip to Washington, D.C., where they saw the World War II memorial, for Alex being accepted into the ASU business school, and for the girls heading to Rocky Point. David Loutzenheiser paid \$5 for taking the family to Magic Mountain during spring break.

John Leslie paid \$10 for a trip to San Francisco, returning home with good news following a CT-scan. Jim Hoenig paid in thanks for a favor from John Leslie.

And Jamie Flesher won \$15 in the 50-50.

John Leslie (left) thanks Jamie Flesher for her presentation.

### Program

Jamie Flesher, CEO of Advanced Care Management and the founder of the Alliance Care Team, told us about those organizations. She is a Registered Nurse and a Certified Geriatric Care Manager with more than 35 years of experience in the health care field. She was introduced by John Leslie.

Jamie said she comes across a lot of families who are not ready for emergencies...not only tragedies but also personal needs. She handed a plastic bag to each member. Each bag contained one or more "tools" that are important to have in any emergency.

Those tools included (in no particular order): flashlight; portable transistor radio and headset; batteries, matches and lighter; Tylenol and a list of medications; Swiss Army knife; poncho and thermal blanket; package of tissues; soap and

### Polio Immunization Day

Terry Locke was one of 47 Rotarians from Arizona, California, Alabama, Alaska and Canada who participated in a PolioPlus campaign visit to Caborca in Sonora, Mexico, February 15-17. He is photographed with a local mom and youngster after providing the vaccine. Thanks, Terry, for your service.

### Thought for the Day

Why do croutons come in air tight packages?  
Aren't they just stale bread to begin with?

#### THE FOUR WAY TEST of the things we think, say or do

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

hand sanitizer; list of documents; toothpaste, toothbrush, comb and razor; bottle of drinking water; notebook and pen; granola bars; first aid kit; trash bags; whistle; waterproof match container; and a compass.

Jamie emphasized how important these items are, as are other lists: family emergency plan; personal record; medication records and health history; and a health event log. She urged us to make copies of these documents and keep them on our person or at least in our cars. She handed out a packet of informational papers that she urged us to fill out.

She also suggested we stock up on groceries at home, especially water (about one gallon per person per day). Each family needs to make a plan and talk about it.

She talked about home care, especially for an older person who may live alone. She offered elec-

tronic caregiver plans that will help seniors and the chronically disabled remain independent in their homes for as long as possible by providing geriatric care management service, transitional care and assisted living placement.
