#### Program

Cultural Development Director Kim Moyers and Downtown Redevelopment Specialist John Owens will bring us up-to-date on the development of downtown Chandler.

## Last Week

### Visiting Rotarian

Only one visiting Rotarian made up with us last week, Mark Thompson from Bismarck Far West, North Dakota. In addition, Sharlene Gardner was a guest of Doug; and Sarah Riffell, Steve Smestad, and Phil Jossi were guests of the absent Bruce Dransfeldt. Sarah is Bruce's daughter and all three guests work for Airfleet Capital.

### Missing in Action

Eleven of our members were missing in action: Courtney Balach, Debra Brown, Bruce Dransfeldt, Sunday Etukeren, Marty Herder, John Leslie, David Loutzenheiser, Brent Patmos, Kristel Patton, Bill Ryan and Cory Whyte.

### No Makeups

No makeups were reported.

### Songs, Fines & Such

President Greg Thornton conducted the meeting. Larry Gardner led us in song, and Brad Raymond conducted the fine session.

Roger Morsch and Kurt Rohrs were late. Ron Stevens forgot his Rotary pin.

Jerry Turner paid for Sharlene Gardner receiving her Paul Harris Fellow. Doug Gardner paid \$2 for Sharlene and for Jerry's presentation.

Brad Raymond paid a buck since he is feeling better after a procedure. Roger Bonngard paid a buck urging ever member to take the newsletter home with them each week.

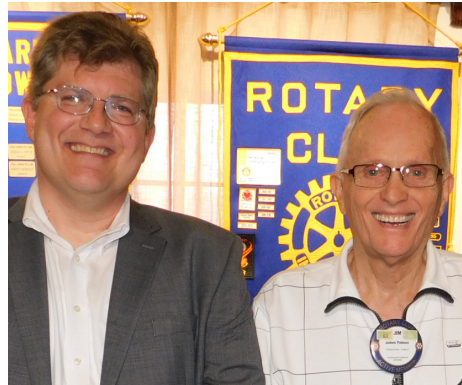

James Caskey paid \$2 for the Kansas City Chiefs winning their way into the Super Bowl. Tim Gibson paid for a trip to California where his conservative views didn't mesh well with his liberal relatives, who also are vegan. "It was a long weekend," he said.

Visitor Phil Jossi paid for the speaker's presentation. Terry Locke paid \$5 for the speaker's presentation and for tickets he has for sale for the Chandler Education Association's annual raffle.

And Larry Gardner won \$11 in the 50-50.

### Board Meeting

The Board of Directors will hold its regular monthly meeting next Tuesday, February 4, at 6:50 a.m. at our meeting room at San Marcos.

### Program

Chris Andres, administrator of the Chandler Municipal Airport, gave an excellent and extensive presentation on the airport, its history, current happenings and a look into the future. He was introduced by Jim Patmos.

Chris worked in Phoenix before accepting a position in Chandler. He has a Master's degree in Planning from ASU.

He said many people are not aware Chandler has a city airport. They think of Stellar Airpark along Chandler Boulevard in west Chandler.

He calls the airport a tremendous asset for the city. There are more than 3,300 airports in the U.S. He broke them down by category. Chandler is one of 259 reliever airports by classification.

Chandler airport is ranked 16<sup>th</sup> for business general aviation, and is 47<sup>th</sup> for takeoffs and landings. It provides aviation training, as well as private/recreational and business services. Chandler Airpark is the second largest employer in Chandler, behind only Intel. The new freeway around south Phoenix will help.

Chris talked about the changes in airplane inter-

### Program

With our 27<sup>th</sup> annual Hole-in-One Contest rapidly approaching, President Greg Thornton will conduct a Club Assembly next week to deal with pressing issues, including sponsorships, daily prizes and shift sign-ups to work the event. It's important for you to attend this meeting..

### Paul Harris Fellow

Sharlene Gardner (center in above photo) received her Paul Harris Fellow last week. Jerry Turner (left) conducted the presentation ceremony. He reminded Sharlene of all that The Rotary Foundation does locally, as well as around the world. The award was given by Sharlene's husband, Doug.

In a related presentation, Foundation Treasurer Jim Hoenig awarded multiple Paul Harris sapphire pins to three Chandler Horizon Rotarians for their donations to The Rotary Foundation. They were: Doug Gardner (center in photo below), second, third and fourth sapphires; James Caskey (left), third sapphire; and Chuy Ortiz, second sapphire.

#### THE FOUR WAY TEST of the things we think, say or do

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

## AIRPORT

est. Many older folks still may have an interest, middle-aged people are burdened with college debt, and the younger generation are not interested in planes. They're too busy with their cell phones. He also talked about the possibility of planes being run on electricity similar to the trend in cars today.

The Chandler Airport has six on staff, including Chris. Yet they manage to keep things moving seven days a week.

The main problem with the airport is the two runways are 4,870 and 4,401 feet long, respectively. The FAA requires runways of at least 5,000 feet in length to handle commercial jets. It is a problem not easy to solve.

The airport currently is in the middle of an 18-24 month Master Plan improvement that Chris hopes will be completed in about a year. Top priorities are; 1) safety first; 2) growth; 3) economic impact; 4) FAA and ADOT relationships; and 5) airport development.

The Master Plan will help focus on the future. An Open House is scheduled February 26, 2020 if you would like more information. Or you can contact [chandlerairport.com](http://chandlerairport.com) for more info.

## Club Donation

Chandler Horizon Rotary Club Treasurer Larry Gardner presented a check for \$538 to the Chandler Horizon Rotary Foundation recently. The \$538 represents the amount of money collected for fines, Exempt badge, Scooter badge and the 50-50 drawing during the previous quarter of the Rotary year.

## Hole-in-One Contest

We are only a little more than two weeks away from the start of our 27<sup>th</sup> annual Hole-in-One Contest. We still are in the need of sponsors. It is hoped every member will bring in a minimum of \$1,000 in sponsorships. Let President Greg Thornton know when you have them.

We will have the Ring of Honor again this year. You will receive flyers about that today. It is designed for sponsors who may not be able to afford the larger donations, but would like to contribute a smaller amount. They can get one name per \$50 donation on the Ring of Honor board. When they are collected, return them to Jim Hoenig. Cash must be received before the sign will be posted.

We also need daily prizes. Seek them out, collect them and give them to Jerry Turner. We would like prizes donated in groups of eight, so they can be posted at the same prize level throughout all eight days of qualifying. We hope to have all the daily prizes collected no later than next week's meeting, February 5.

And, don't forget to sign up to work shifts. Shift times are 9:30 a.m. - 12:30 p.m., 12:30 p.m. - 3:30 p.m., and 3:30 - 6:30 p.m. each of the eight days of qualifying. Go online to Sign-Up Genius to make your selections.
