### Last Week

#### No Visiting Rotarians

No visiting Rotarians made up with us last week, although we had one feline and several canine visitors as guests of members.

#### Missing in Action

Ten of our members didn't join us for the virtual meeting. Those who didn't attend were: Courtney Banach, Sunday Etukeren, Tim Gibson, David Loutzenheiser, Roger Morsch, Chuy Ortiz, Kristel Patton, Bill Ryan, Jerry Turner and Cory Whyte.

#### Makeups

Cory Whyte made up at the club board meeting, while Roger Morsch and Kristel Patton made up at a Foundation board meeting.

#### Songs, Fines & Such

President Greg Thornton conducted the meeting, Larry Gardner led us in song, and Jim Hoenig conducted the fine session.

Terry Locke paid \$5 because things are starting to come back in the state of Arizona. Jim Patmos paid \$2 for Trudy making masks and for the club getting back to having programs once again.

Marty Herder paid a buck for Governor Doug Ducey partially re-opening the state and the exponential result it has had on attorneys who are working to get the backed-up case load moving. Brent Patmos paid \$2 for continuing advice from Marty Herder that is helpful in Brent's business, and for an update on the reported meat shortage across the country. We'll hear more about that today.

Soo-San Stevens-Clarke paid \$10 for her son getting his degree from ASU (after 10 years) with majors in both bio-chemistry and secondary education. Kurt Rohrs paid for his daughter graduating from high school this month, not as they planned, but they are glad the district is trying to do something to make it more meaningful.

John Leslie paid \$10 because he received his coronavirus stimulus check and for a trip to Florida and back where there were five passengers on the plane. Jim Hoenig paid \$2 for receiving his coronavirus stimulus check and for celebrating

#### CHRC Members Hear about Hope Animal Assisted Crisis Response

We continued our series of virtual programs with recipients of funds from our 27<sup>th</sup> annual Hole-in-One Contest. Jane Huff and Bella (photo at right), plus Sharon Martin and Abby (photo below) joined us from the Hope Animal Assisted Crisis Response program.

Jane is the Arizona coordinator for Hope. Both Jane and Sharon expressed thanks to Chandler Horizon Rotary for its continued support of their efforts.

Although they experienced some difficulties in getting it set up, with the help of Brent Patmos they showed us a video that demonstrated many of the projects with which they are involved. There were many photos of volunteers with their dogs

at several locations, including our Hole-in-One Contest.

Hope has been involved in the aftermath of crisis and disasters since 2001. They support fire and police departments as well as many schools.

The Arizona chapter started with one dog and its leader in 2010. Now there are 14 teams in Arizona as well as many more throughout the United States.

Folks who want to join their efforts go through three days of intensive training in California. Sharon told us that not all dogs and their leaders survive the training, indicating there is a lot of stress on both dog and leader.

But those who survive go on to help serve and help comfort those going through traumatic events. Sharon said she and Abby helped in the Sonoma fire in California last fall.

#### Return to San Marcos

President Greg Thornton announced last week that the date of June 3 is being targeted for our return to San Marcos. That will depend on current circumstances and whether or not San Marcos is ready to have us return and under what conditions.

#### Thought for the Day

All of our dogs think we quit our jobs to spend more time with them. All of our cats think we got fired for being the loser they always knew we were.

**Foundation Funds**

President Greg announced last week that since we haven't heard from Project Connect 4 – Teen Suicide despite the repeated efforts of two board members, the \$500 allocated to them from the Hole-in-One contest has been rescinded.

The club and foundation boards approved \$300 of that money to serve as an additional donation to the Assistance League of the East Valley, bringing their total award to \$1,000.

The club board approved a \$500 donation to the Caborca, Mexico, project that is in need of medical supplies due to coronavirus and the effect it has had on that impoverished area. The foundation board turned down the request, however. A more recent motion to donate \$200 to the Caborca project was approved by both boards.

That will mean the \$500 originally targeted for Project Connect 4 will be given to the Assistance League and Caborca with the idea being that if future needs appear, the plan for additional funds to Caborca will be re-visited.

**SONGS, FINES & SUCH**

*Continued from page 1*  
 his birthday that Monday. He noted he has reached quatre-vingt-trois in years. Larry Gardner sang "Happy Birthday" to him.

Brad Raymond paid a buck for celebrating his 10<sup>th</sup> year at work. Bruce Dransfeldt paid \$5 for Jean getting up at 7 a.m. to do their senior shopping at Fry's and for Bruce being able to introduce his daughter at the Tigard (OR) Rotary meeting.

(Speaking of Fry's, remember that if you shop there you can have your Fry's card connected to Chandler Horizon Rotary and with each purchase you make a certain percentage will be returned to CHRC. That amount last quarter was \$62.53, It could be much more if every member participated.)

**District Dues Refund**

President Greg Thornton announced that District 5495 Governor David Simmer reported that clubs in the district will be receiving a refund on their dues. The amount seemed a little bit up in the air, but the refund should be coming soon.
