Doug Gardner paid \$5 for the work James Caskey has done in organizing our golf events. And Doug won \$23 in the 50-50 drawing.

#### Thought for the Day

Nothing says "I mean business" like using a shopping cart at a book store.

#### Club Assembly

President Terry Locke conducted a Club Assembly. James Caskey talked about our golf events. (See separate story). Soo-San Stevens-Clarke talked about the Innovation Fair this past Saturday at the Chandler downtown library.

Roger Bonngard talked about the upcoming Rotary year during which he will return as president of CHRC. He noted he has been in training for the position and will attend PETS March 4 and 5.

He is seeking help from club members concerning the direction of Chandler Horizon Rotary. "This is our year, not my year," he said.

He hopes to get all of our members involved in the club and hopes to set up a 3-5 year program. A committee has been selected to review our club By-Laws and make suggestions for needed changes. He also hopes to conduct a membership drive in the spring to add members to our roster.

He suggested the possibility of adding different membership categories, such as a family membership similar to a corporate membership, and/or an under-40 membership category that would allow younger members to join at a reduced dues rate.

Another suggestion was a change in meeting times, perhaps going to something like morning meetings twice a month, evening meetings on a third week, and a club service project on a fourth week. He is interested not so much in attendance, but more participation by club members.

Club response at the meeting seemed to be not so much in favor of meeting time changes, lukewarm toward an under-40 category, but more in favor of the family category. Roger has sent out an email survey to all club members seeking their input on these issues. Please respond to the survey and return it to Roger ASAP.

There also was discussion about forming a satellite club that might attract new members who want a different format.

"It is important we all have input," he said. "We want to make our meetings more fun."

#### I-HELP Project

Tiffany Jones is heading up the I-HELP Project in March. Let her know if you can help.

#### Golf Events

Our 29<sup>th</sup> annual Hole-in-One Contest is set this Sunday, February 27, at San Marcos. The format will be the same as last year.

There will be a qualifying round starting at 12 noon. The 10 closest shooters will move to the finals immediately after the qualifying round. All shots will be from 100 yards. The overall winner takes home a check for \$1,000.

The cost is \$25 per shot, or five shots for \$100. Shots are available in multiples of \$100 and so on. You can register for the Hole-in-One Contest at [www.rotaryhio.org](http://www.rotaryhio.org).

The deadline to enter is today. If you have any prizes for the HIO they need to be turned in to Jim Hoenig today.

If you haven't signed up to work the event this Sunday, please do so today. See James Caskey for the signup sheet. We need volunteers to help register shooters plus record shots and award prizes. Volunteers need to be there by 11 a.m. to help set up. We should be finished by 2 p.m.

**Live Love Open House**

Seven CHRC members, spouses and guests, enjoyed the Open House at Live Love last Tuesday evening. We had a chance to view the newly remodeled kitchen located at the facility at 388 N. Colorado St., some of the funds for which came from a grant from the Chandler Horizon Rotary Foundation.

The kitchen was remodeled to teach neighbors in the area close to downtown Chandler how to prepare healthful meals for their families.

Executive Director Carrie Kerney welcomed all of us, Paul and Melinda Gunther who live in the home at the location, along with chef Dan Codd and his wife Kristin provided veggies and dip, Paul grilled skewers of veggies with either beef or chicken, and they also offered a dessert of baklava and red raspberries.

Carrie told us about further plans for Live Love, the community development project that began in 2007. They hope to develop a community center "just down the street."

Right now it's a two-acre open field, but hopes are to develop "a lush garden where people can come, breathe deep, and just be; a beautiful oasis tucked in among the tightly packed homes, gravel yards and security bars; an interruption in the pavement, as if it's out of place, and yet perfectly placed at the same time; and something beautiful growing up from the dirt."

"We are about 70 percent funded," Carrie said, "and we have submitted final drawings for the project to the City. We hope to hear from them in the next week or two."

The passion and dedication of people like these are perfect examples of the principles of Rotary.

**CHRC GOLF EVENTS**

*Continued from page 1*

register for the tournament online at [ChandlerRotaryClassic.com](http://ChandlerRotaryClassic.com).

Sponsors are needed for the golf tournament. We are trying to obtain sponsors for each of the 18 holes at \$2,500 per hole. Sponsors who donate more than that may be featured on two holes. Sponsors who donate less will be grouped together.

There will be special events, including a drone ball drop, closest to the pin and longest drive. There also will be raffles for prizes. Tournament prizes and raffle winners will be announced during lunch following the tournament. Then we will stage our third annual helicopter ball drop.

Helicopter ball drop tickets are available. If you haven't received tickets yet, see James Caskey. They are \$10 each.
