Dear Aubrey,

Thank you for choosing to change a child's life at a critical moment and make it better. Children like siblings Olivia (1), Joseph (3), and Grace (5).

Having been left on their own for days, the two oldest siblings were found on the street looking for help. Child Crisis Arizona stepped in and matched them with an incredible couple, Keri and Dan, who opened their hearts and home to adopt all three! Being so young, the children had difficulty expressing what they had been through and trusting new adults. Dan wondered how he could take care of this little boy that he couldn't even connect with or talk to. Then one night, Joseph came to him and said, "Excuse me dad? I love you. I need a hug."

Because of you, more children like Joseph will get the hugs they need and find the loving parents they deserve. Your generous donation of \$2,000.00 will help build strong, loving families. While we can't change the circumstances that bring children to our agency, your support can make their futures brighter!

Sincerely,

Torrie A. Taj, CFRE
Chief Executive Officer

Thank you for the long standing support we have recieved from the Rotary Club!!
