The daily winner is allowed to shuffle the cards remaining in the deck before selecting a card. If they select the joker, they win an additional \$20. Should they make that choice, it is urged that the donation be \$10 or more. Forms are provided to document any specific uses of cash or non-cash pledges.

Be a Participant—Not an Observer

Your membership dues cover your share of the cost of operating our club. The charitable endeavors of our club are financed through charitable giving. It is our goal to have each member support all four areas to the extent they are able

1—THE ROTARY FOUNDATION ANNUAL FUND

TRF is one of the world's most highly-respected public charities. Donations are tax-deductible. Funds donated to the foundation support projects throughout the world in the seven areas of focus. The funds donated each year are invested for two years. The third year, district designated funds are shared back to the local districts so they have a say in how their share is used. The easiest way to give is to establish a monthly donation through your MyRotary account to be taken automatically through a debit or credit card account. Our club's annual goal would be met if each member gave \$20/month. We know that some members will not be able to make that large of a commitment, and others may wish to donate much more!

2—THE ROTARY FOUNDATION POLIO PLUS

Rotary's commitment to eradicate polio is so well known and respected that the Bill and Melinda Gates Foundation matches donations \$2 for \$1. To take advantage of this opportunity to multiply the effect of your giving, you are again encouraged to donate through your MyRotary account. To meet our club's giving goal, a monthly recurring donation of \$10/month per member would be suggested. We know some members might not be able to make that commitment, so we encourage them to at least make a single donation each year through their MyRotary account. Those who have a passion for this endeavor and the means to give more are certainly encouraged to do so.

3—THE ROTARY VOCATIONAL FUND OF ARIZONA (TRVFA)

TRVFA provides vocational education grants for adults in Arizona who are at or below 150% of the poverty level to obtain vocational certifications which will enable them to lift themselves out of poverty and contribute to the Arizona economy.

The Rotary Vocational Fund of Arizona is a Qualifying Charitable Organization meaning donations to TRVFA qualify for Arizona Income Tax Credit. Single filers can offset their Arizona State Income Tax obligation up to \$495 , and joint filers up to \$987. Go to www.trvfa.org and click on the red "donate now" button at the top of the home screen.

One of the giving options is to set up a regular recurring donation. Join several Mesa West Rotary members to have selected this convenient method of giving to help others help themselves.

4—MESA WEST ROTARY FOUNDATION (MWRF)

Mesa West Rotary Club has its own 501(c)(3) public charity enabling our members and those in our circle of influence to give tax-deductible donations to support the charitable work of our club.

MWRF is a separate legal entity and has its own board of Trustees managing its operation. The immediate Past President of the club automatically becomes the Vice President of the foundation the year following their year of service as Club President. The following year, they move up to preside as President of the foundation.

The club board recommends an annual budget for charitable giving, and the foundation board will review and either amend or approve the budget to ensure consistent integrity and viability of the fund.

Since 2018-19, the club has held an annual sponsorship drive to bring in funds to support our charitable endeavors. These drives have resulted in averages exceeding \$50,000 per year. There are several advantages to this approach:

- A. It eliminates “cost of fundraising” involved in hosting public events.**
- B. It eliminates the time commitment of planning and carrying out public fundraising events.**
- C. Members are encouraged to tell their Rotary stories to friends, family and associates, and encourage them to donate to support things the member is passionate about being involved with.**

At Mesa West Rotary Club, we embrace the transformative vision of:

- **Transforming Communities**—Through service projects and outreach programs, we strive to uplift and enhance the quality of life in our local and global communities.
- **Creating Opportunities**—We believe in empowering individuals by providing resources, skills, and knowledge that lead to personal and professional growth.
- **Impacting Youth**—Investing in youth is investing in the future. Our programs support education, mentorship, and leadership development for the next generation.

Ace of Clubs Spirit—Our members embody the spirit of camaraderie and excellence. We are united in our mission to make a difference and uphold the Rotary value of Service Above Self. Our culture encourages collaboration, innovation, and a shared commitment to fostering positive change.

Community Engagement—With a genuine passion for community engagement, members actively participate in various service projects, fundraisers, and local initiatives. Our focus on collaboration ensures that the efforts of our members lead to positive results.

Fellowship and Friendship—Through regular meetings, service projects, fellowship and social events, we cultivate lasting friendships among our members. The supportive atmosphere we create fosters open communication, allowing us to celebrate achievements and support one another during challenges.

Leadership Development—We encourage members to take on active roles within the club, our district, and our community. This commitment to growth not only benefits individual members, but also strengthens the club as a whole. We do this through support of all of our training programs such as Rotary Leadership Institute (RLI), Rotary Youth Leadership Awards (RYLA), Rotary Leadership Academy (RLA) and through accepting leadership positions in our club, district, and beyond.

CONCLUSION—The culture of excellence at Mesa West Rotary Club is built on the principles of integrity, service, and friendship. Together, we embody the values of Rotary International, making a significant impact in Mesa Arizona and beyond. As we continue to transform communities, create opportunities and impact youth, we proudly stand as the Ace of Clubs in the Rotary community.
