

If we have your attention,
We want to explain
A No Ball Ball

Is how we chose to raise money to do good in our community and the world. Instead of all the work and expense of a fund-raising event, we chose to solicit sponsors so all the money received will be available for the causes we choose to support.

This invitation is to invite you to have a ball at our
Steak and Beans Celebration Event
marking the end of the sponsorship drive.

If you are one of the Mesa West Members who has not yet secured a sponsor or donated \$100 or more, you can still save yourself and your guest from the bean menu for the evening,. You can use the following calculation. Once you calculate how much savings there is in raising money this way, you will want to send a check for the bottom line amount to

MESA WEST ROTARY FOUNDATION

P O Box 2790, Mesa, AZ 85214

before the April 30 deadline
