## How We Got Started

*Flo'rence A. Johnson*

- *Flo, my mother-in-law, always talked about how her blessings were overflowing. Her blessings flowed like water and never stopped.*
- *Every day that she lived, she saw it as an opportunity to help someone, ranging from encouraging words, donations of food or clothing, to sheltering other, her "Flo" was infallible.*
- *On April 8, 2007, Flo passed away. Before she passed, her dream was to open a restaurant. My mother-in-law loved to cook, especially for other people. Flo had just gotten her restaurant license 2006 and was excited to open "Antigua Delight," her very own restaurant.*
- *During her eulogy so many people talked about how she loved to serve and help others. Seeing the passion "Flo" had for other, I founded Over-Flo Missions as a way of "carrying on her torch" by doing God's work.*
