HELP US HELP OUR HOMELESS

Last year, more than 22,000 people in Maricopa County were homeless. They had no place of their own to sleep, keep their belongings or take care of themselves. Imagine going days or weeks without bathing, changing your clothes or brushing your teeth.

The Rotary Club of Gilbert and the Mesa West Rotary Club are coming together to complete shower kits for guests of Paz de Cristo located in Mesa, AZ and Helping Hands kits to be handed out to those in need within the East Valley.

Paz de Cristo

Their vision is to empower guests to reach their full potential by removing barriers so they may become more self-sufficient.

Paz de Cristo exists to help them achieve self-reliance, pride and self-respect. Lives are changed leading to improved economic standing, respect for others and citizenship participation

Shower Kits

Paz de Cristo is more than just a hot meal. They provide over 260 showers to guests each month. Guests get to take a hot shower with soap and shampoo. They receive a new pair of socks, underwear and a t-shirt. This is where you come in. **Your donation** will help the Rotary Clubs of Gilbert and Mesa West create the shower kits needed for their visitors.

Helping Hands Kits

It's harder for our homeless population to stay safe and get vaccinated for COVID-19. Our Helping Hands kits provide masks, wipes and bandanas in addition to other products needed to stay clean. Feminine products are included for women, along with water and protein snacks to help fend off hunger. Each kit will provide information and directions to Paz de Cristo.
