

Program

1

Program Description

Through an innovative partnership with Amazon, we:

- Receive donations from local Amazon distribution centers.
- Unpack sort, organize, inventory, repack, and distribute these items throughout our district and community.

2

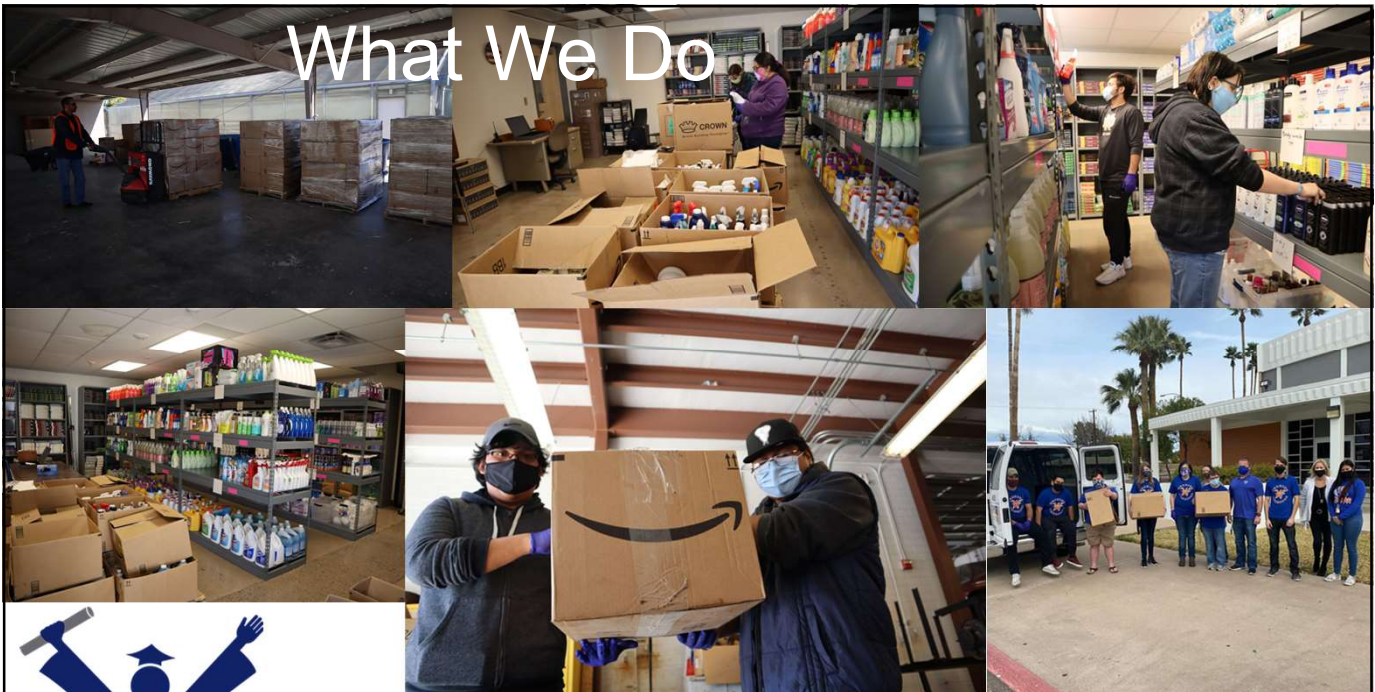

Program Purpose

- Prepare students to become productive members of the workforce and community.
- Serve our school and community.
- Build relationships throughout our district and community.

3

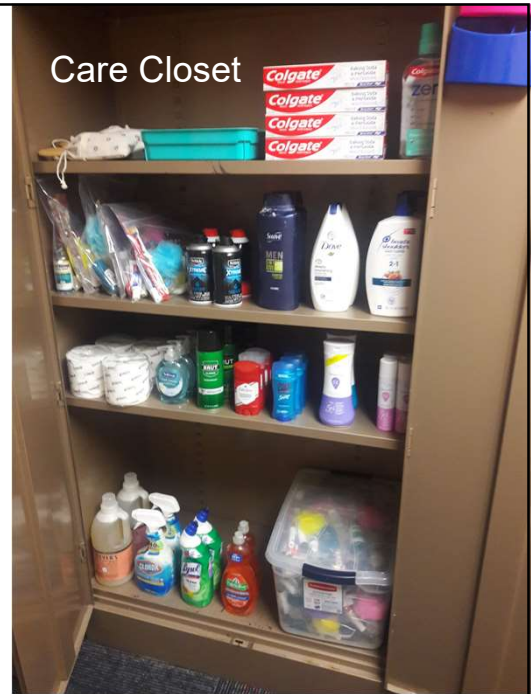

What We Do

4

How Donations Are Used

- The most important donations we receive are high-need items like hygiene and household cleaning products. We use these items to:
- Provide for students and families through our school's care closet.
- Package for other schools to use for the same purpose.
- Give to local charities serving our community.

5

How Donations Are Used

We also receive an assortment of other donated items. We use these items for:

- Use within our schools by teachers, staff, and students.
- Meeting the specific needs of outside organizations.

6

How Donations Are Used

7

Impact on the Community

Since we started this program in 2019, we have:

- Distributed thousands of boxes containing millions of dollars worth of products to students, staff, and community members in need.
- Partnered with organizations serving veterans, senior citizens, children, domestic abuse victims, pregnant mothers, refugees and more.

8

Impact on Education

This unique program gives students the opportunity to:

- Gain hands-on work experience
- Explore different career fields and job interests
- Relate to and apply what they learn in other academic classes
- Engage in extracurricular activities, volunteer opportunities, and summer programs
