

The Rotary Club of Mesa West, like other Rotary Clubs throughout the world, concentrates on five avenues of service:

Club Service
Community Service
International Service
Vocational Service
Youth Service

Our Club Service is funded separately from our charitable endeavors through membership dues and other funds received from our own members. NONE of your sponsorship donation will be used to support this avenue of service.

Our external work in the last four avenues of service are funded through our Mesa West Rotary Foundation.

Some of our community service, and much of our international service is accomplished through matching grants obtained through The Rotary Foundation (TRF).

TRF concentrates their donations in six areas of focus:

Promoting Peace
Fighting Disease
Providing Clean Water, Sanitation and Hygiene
Saving mothers and children
Supporting Education
Growing Local Economies

While it is possible to direct your donation to a particular avenue of service or specific project, we hope you will consider choosing to give your donation as "undesignated — to be used where funds are most needed." This will keep funds from accumulating in popular causes or where worthy projects were not presented.

SPONSORSHIP PROGRAM

The mission of Rotary International is to provide service to others, promote integrity, and advance world understanding, goodwill, and peace through its fellowship of business, professional, and community leaders.

The Mesa West Rotary Club through its charitable foundation is soliciting business and individual sponsorship contributions. All funds received will be used for charitable purposes — there are no administrative fees. Through your generous support, we can continue to make a difference in our local and international communities.

Help us support our efforts in 4 Avenues of Service

Community Service - some of the local projects we have supported in the past include : Food bank donations and volunteer support, Save the Family donations and volunteer project replacing trees at their office facility, Mesa CARE partnership, Backpacks for middle schools, wheelchair project, and construction of bookshelves for Phoenix Children's Choir.

Vocational Service - In 2017-18, donations from individual Rotarians in Mesa West Rotary made our club the highest giving club to The Rotary Vocational Fund of Arizona. Individual donors to the fund receive Arizona Tax Credit for their donations to trvfa.org. Corporate donors may choose to make a gift to support vocational education through directing a portion of their sponsorship to this unique Arizona Rotary-Related charity. The Rotary Vocational Fund of Arizona is a Qualifying Charitable Organization for tax credit donations. To take advantage of this opportunity, individual donors or married couples can donate directly at trvfa.org.

Youth Service - Mesa West Rotarians support all of the following with volunteer support in addition to funding the sponsorships and support of their projects:

- Sponsorship of Interact Club at Westwood High School, Mesa.
- Sponsorship of Rotaract Club at Grand Canyon University
- Rotary Youth Leadership Awards (RYLA)
- Rotary Youth Exchange —sponsoring both inbound and outbound students
- Scholarships awarded to Westwood High School Students

International Service -

Our signature International Service project is our annual Gift of Hearing mission in Guaymas, Mexico. Our member, Bob Jensen, has coordinated this project for over 25 years.

This year, we will be raising funds and awareness to support Aqua Africa in the building of wells and water towers to change lives in South Sudan, Africa.

We also support international projects that become available in all the areas of focus of The Rotary Foundation (TRF). We support TRF with their **End Polio Now** project where many gifts are matched by the Bill and Melinda Gates Foundation.
