Here are the important points:

The pricing includes shipment directly to you. Please make certain you use the physical address that you would like for shirt to be shipped when completing the order form.

A portion of your payment will go to support youth services in our Rotary District - RYLA, Junior RYLA, Interact, and Rotary Youth Exchange.

Due to the various styles and numerous sizes within each style, it is not practical to order shirts in advance. Also, we have a 100 total shirt minimum from the vendor to get the best pricing available. **Therefore, we need to get 100 shirts ordered and prepaid so that we can place the order with the vendor. Our goal is to have 100+ shirts ordered by March 8, 2025.** As soon as we reach that goal we will place the order and you should receive your shirt within 2-3 weeks after the order is placed with the vendor.

To order, please go to the order website to select your shirt(s) and then to the GivSum website to pay. **You must do both to complete your order.** As soon as we have your order and confirmation of the payment on GivSum, you will be on the order list.
