2016 Service Above Self Award

**Presented by the Rotary Club of Scottsdale
to recognize *outstanding community service
within City of Scottsdale and support of
Rotary's call to "Service Above Self."***

Introduction: Chris Holm

This honor was in recognition of COL Shaw's exemplary service to our country during his distinguished military career and for his continued service to our country as a vital member of many military and community service organizations.

In 2006, COL Shaw was inducted into the Arizona Veterans Hall of Fame - this award was presented by Governor Napolitano. Col Shaw was inducted into the Infantry Officer Candidate School Hall of Fame in 1991 (an honor bestowed upon only 1% of it's graduates). Colonel Shaw graduated from Kentucky Military Institute in 1942, the summer after Pearl Harbor, and immediately enlisted in the Army. At 19 years old, he was commissioned as a 2nd Lieutenant, infantry, at Ft. Benning, Georgia. He served extensively in the Southwest Pacific during World War II and participated in the initial assault wave on Luzon, Philippines, in 1945 and in the initial occupation of Hokkaido, Japan. Following the war, Colonel Shaw served as member of the General Staff at the 6th Army Headquarters at the Presidio in San Francisco.
