Pres Sez

Mother Nature came calling last Monday and we were unable to meet at the McCormick Ranch Golf Club. Early that morning, both ways to get to the facility were closed due to water over the road. Our Club did “save” about \$2,100 in lunch expenses and I will be asking our Board this Thursday to transfer said amount directly to our Foundation.

I hope you all had a great Labor Day weekend. My youngest daughter and I went to our cabin on Grand Mesa, Colorado which sits at about 10,500 feet above sea level. We caught 42 rainbow trout during the weekend and enjoyed the very cool weather there (down to 40 degrees at night).

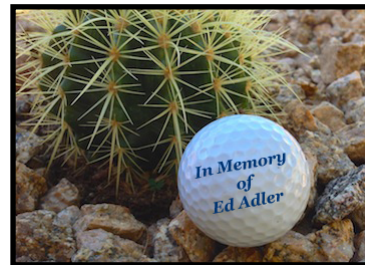

A new venture starts today: We will take credit/debit cards at the front desk for our guests and visiting Rotarians to pay for their meals, and for Happy Bucks contributions as well. This is a pilot program to see the volume of usage. We will re-evaluate the program after the first of the year.

Our annual golf event is scheduled for the afternoon of October 6, 2014. Please collect some silent auction items and sign up to participate in the golf outing that day. Ken Brown and his golf committee are looking for a good turnout in this major fundraiser for our Foundation.

Congrats to Patti and Scott Miller who became grandparents for the first time since we last met.

Report from Our Rotary Youth Exchange (RYE) Outbound Student - Lili Donnenwirth

My time in Germany has been everything I could have ever imagined and more. I was greeted by my host family at the airport in Hamburg with warm and welcoming arms. In the car ride to my new home in Utecht, we all shared in a laugh over how amazed I was at all the greenery.

My first days were filled with touring Utecht and Lubeck. On the second day while touring, my host sister and I decided to stay behind and pick blackberries, only to be caught in a moment of downpour rain. We ended up waiting it out for 15 minutes and then walking home soaked with berries in our hands. Weather is so different in Germany! It was quite a different and funny experience!

I don't think I am able to put into words how beautiful both of the towns are. I am so fortunate to call this place my home for the next 11 months.

I started school the next week and was fortunate enough to have all the same classes as a girl I met previously at a party for an exchange student from Ecuador. My first week of school was definitely difficult with not understanding the language perfectly, but I start a German class in the first week of September and am very hopeful that I will pick up the language better!

To summarize, the past two weeks have been filled with new experiences and new opportunities all for the better! I am excited to see what more is in store for me here in Germany! Auf Wiedersehen!

Lili
