## Rotary Club of Scottsdale Clean Water Focus

*More than 2.5 billion people lack access to adequate clean water. At least 3,000 children die each day from diarrheal diseases caused by unsafe water. A Team of Club members are in the early stages of investigating opportunities to initiate a Rotary International Clean Water Project Matching Global Grant and partnering with other US and International Rotary Clubs and Districts. Watch for updates as the Team seeks Board and membership approval for this exciting international service project.*
