

ROTARY CLUB OF DENVILLE, N.J

P.O. BOX 35

DENVILLE, NEW JERSEY 07834

To Our Rotary Friends:

Every year the **Denville Rotary** runs its **Annual Rotary Street Festival** on the first Sunday of June, from 11:00 am to 6:00 pm in downtown Denville. This year the 39th Annual Street Festival will be on **June 7, 2020**.

The festival has become a terrific event for area residents and participants. Each year we have craft booths, food booths, new merchandise, professional information booths, children's rides, and an entertainment stage for live music with our well-known DJ and local talent. The annual fund raising event attracts more than **20,000 people** throughout the day. All the net proceeds of this event are used for **Denville Rotary Charities** including scholarships, camperships, Santaland and many more world-wide humanitarian causes.

Last year we had over 20 sponsors. The bright yellow and black signs were very reliable and easy to spot. This year, we are once again **seeking sponsorships** for the member-run Rotary booths, certain other venues, and the entertainment stage. All signs are prominently displayed on the venue of your choice. All sponsors are prominently displayed on all advertising posters, hand-outs and newspaper advertizing. You now have an opportunity to be associated with **the most widely attended event in Denville**.

Again this year, we are adding a perk to Level 1 and Level 2 sponsors, the opportunity for a 60 second stage advertisement. For Level 1 and Level 2 sponsors interested in this opportunity, contact me for further details.
