This month containing the holiday of Thanksgiving I would like to share with you some of things that I am thankful for and I am going to share with you some information that my 10-year-old niece presented last year at our family Thanksgiving that gave us

## Mary Ann's Marquee

*"It's been an exciting couple of months. Many of you had summer fund raisers, picnics, new officers, etc. Mother Nature gave us a harrowing time of drought, tropical storm, and a dazzling lunar eclipse (which most of us couldn't see because of a complete cloud cover). And finally, and most important to us, we have a new set of officials in district 7470 topped off with our new District Governor Frank. Now I ask you, wasn't that an exciting summer? Let's see if we can recap some club events."*

## The Presidents' Ball - Oh What a Night!

The Presidents Ball was held on October 23<sup>rd</sup> at Mayfair Farms. Nearly 2/3 of the clubs in the district came out to honor their Presidents. Each club President was introduced and welcomed into a room filled with over 325 Rotarian's and guests. Such a wonderful display of support surely made them aware that their club's recognize the hard work they are engaged in. This year's Presidents are "A gift to the world" and have embraced the Rotary theme.

## Gift of Life Annual Super Bowl Raffle

It's that time again! Time for the annual **Gift of Life** Super Bowl raffle!

Each year at this time, our district's **Gift of Life** committee sells raffle tickets to raise funds for this great project by selling chances on a trip to the Super Bowl. This year, the Super Bowl is in San Francisco on February 7, 2016.

The hotel we have booked is in Half Moon Bay, a lovely community outside of the city with a spectacular cliffside view of the Pacific Ocean.

The chances are \$10 each and the prize is two tickets to the Super Bowl including airfare and hotel.

By now, your club should have your allotment of tickets for each member to sell. If you need more tickets, or to turn in sold ticket stubs, contact Larry Ripley at 973-539-4598 or at

## Membership Development Workshop Exclusively For Your Club

Does your club have a membership plan to identify, source and recruit new members for your Rotary Club? Is your club being proactive or is it business as usual. How many

new members have joined your club this year?

The District Membership Committee is ready to provide your club with a Membership Development Workshop specific to your needs when finished you will have developed or refined your membership development plan. The workshop is approximately 2 hours long and can be scheduled at a time convenient for your Club (evenings/weekends).

A minimum of five or more participants are needed to conduct the workshop. Smaller Clubs may want to join together to have the required number of people. Workshops are available in December and January. For additional information or to schedule a workshop for your club, contact Barry Kroll at [barrykroll@aol.com](mailto:barrykroll@aol.com) or 973-476-2772.

## Bowling Along

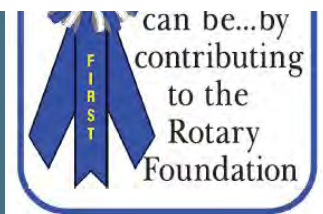

### The Bernards Bankers Bowling Team

No, they are not all bankers. Originally they were sponsored by a bank. Team is presently made up of Rotarians George Burd & Bob Cariello, along with their spouses and Mike Delgado (future Rotarian). George is the spokesperson and responsible for distracting the other teams.

"Beer Frame" - the cry for libation! Somehow that seems to fall on Ellie's shoulders but normally associated with a frame score. Just to heighten the competition; Bob & George make side bets with the winner donating the money to their Rotary Club.
