This Week: - In Service - A discussion of club business as well as a visit from some special guests.

Last Week: The Mark Hontz Family Band (Mark, Stephanie, Susanna, Thomas and Nathaniel) performed for the 4th Annual Oktoberfest Celebration. Mark Hontz provided some of the historical background regarding the songs before each performance. Thank you to Mark and his family for providing fantastic music. It was a wonderful evening!

Announcements:

Steve McNally updated us on the district level matching grant that has been submitted. We are encouraged by the initial enthusiasm we've received from the district. We expect to hear shortly if we will get the grant. This project was proposed by John Cuzzo and involves getting testimonials from WWII veterans regarding their experiences. We've partnered with the Rotaract students to help with the project.

With the help of Dorian Alu the board is excited to be launching a program to have Rotaract students attend some of our future meetings.

Happy \$:

Steve McNally was happy to have his three daughters in attendance and gave us an update on each one.

Matt Hannum was happy to have attended his first back to school night for his daughter Juliana. He was also happy to have Mark and his family back for their 4th Oktoberfest. It is always one of the best programs of the year.

Jerry Nechamkin was happy to have his family with him for this evening's festivities.
