This week: Brian McAlister will discuss his book, "Full Recovery: A Personal Action Plan for Life".

Last Week. In service. Carl Lazzaro lead the Club in remembering Stan Koza, as he talked about the contributions Stan made to Rotary and to the local community. Regan Dalby, the President of the SCCC RoterAct Club, talked about the service projects their club has planned for this year. Christina Inoue, a Rotary Exchange student to our club from Brazil in 1985, visited with her host family and talked about her life since leaving Newton. She is now a professor of International Relations at the University of Brazilia and credits her Rotary Exchange experience with giving her the perspective and language skills she needed to pursue graduate degrees at the University of Brazilia and at the Hague.

Guests: Larry Lawson (Boonton Rotary), Jim & Mary Ann Collins, Abbie Houghton, Christina Inoue, Terry Iliff, and Regan Dalby. David Adamsbaum welcomed our guests.

Announcements:

Responses are due next week to the District Grant submissions. John Cuozzo, Dolian Alu and Heidi Weber have proposed a program, to be lead by SCCC students, to record interviews with local WW II veterans. The records would be used as a teaching tool.

This year's Golf Outing raised over \$21,000 for Newton Medical Center, a substantial step up from recent years.

We plan to submit an application for a District grant to interview local WWII veterans and compile a CD of their memories which could be used in history classes in Sussex County. The project would be run by RoterAct and Dorian Alu, John Cuozzo, and Heidi Weber will assist the students.

Matt Hannum is organizing this year's Dictionary Project. Third grade students at Fredon, Newton, Andover and St. Joseph's Schools will receive dictionaries. See Bud Luthman or Matt if you would like to help distribute dictionaries.

Charles Grotyohann and John Roberts are spearheading the Membership Committee this year. Monthly meetings will begin in November. See Charles or John to get involved.

Any member who would like to receive a print copy of the updated club e-directory or cell phone list should contact John Frank.

Picture Fines: None.

Happy \$:

Bud Luthman is happy that a hand surgeon happened to be at NMC when he arrived with damaged fingers from his chainsaw accident. Surgery was performed within 30 minutes of the accident! He is also happy that the Club has allocated \$600 to the American Legion to upgrade its flagpole. Finally, Bud is also happy to be working on an International Grant to assist with medical work in Africa – details to follow.

Natalie Gooding is happy to have been involved in many projects since joining Rotary. Now that her son is in high school, she looks forward to working with InterAct.

John Roberts is happy to deliver Charles Grotyohann's field hockey update. Two of his daughters are playing each other tonight, as Fairleigh Dickinson plays Moravian.

John Cuozzo was happy to receive an email from his nephew inviting him to attend his performance in a marching band in Toms River.

Matt Hannum is happy to see Regan Dalby today. He is also happy that Dorian Alu has committed to bring RoterAct students to our meetings on a regular basis. See Matt if you would like to help sponsor a student (or students) by paying for their lunch.

Rich Hayzler is happy to report that when he attended his son's medical appointment at Hackensack Medical Center, the Doctor could find no sign of cancer.

Heidi Weber is happy to celebrate her father's 90th birthday.

Carolyn Ottenbreit is happy to report that last weekend was the Terry Fox Run in Central Park. The run, which her husband started with 50 runners in 1994, was moved to a larger space this year to accommodate the now 3,000 runners. The cancer research which the run has funded for many years has shown great success, and prompted articles on the cover of the Wall Street Journal and NY Times this year.

Alden Welsh is happy to remember Stan Koza and his work for the Newton Memorial Foundation.

Dorain Alu is happy for Regan.

Corey Stoner is happy for Penn State's overtime win (as were the 108,000 other fans). He is also happy for his daughter's performance in an equestrian event in Trenton, where she placed in every class she entered (at age 9!).

John Iliff is happy to see Bud Luthman and Regan, who is a friend of the family. He also read a poem, written in 1944, which mentions the clock on the Methodist church which was recently restored.

Make-ups: Barry Karentnick and Bob Shankman (both Caldwell), and Buz Tomasino (Branchville).

50/50: Steve Wescott won \$13 but left \$214 in the pot.
