THIS WEEK

We had a great turnout for this special evening meeting.

In addition to our members, we had several Rotary spouses with us James Huey, Bruno Buset & Diane Monaco. In addition we had David Strus from the PBA & Mike LaCorte & Dominick DeSimone from the FMBA

Following a great dinner at Momma Vittoria's the checks were presented to the 2 organizations chosen to benefit from Nutley Rotary's 1st Annual Car Show.

John Monaco brought this project to Nutley Rotary and with help of

His wife Diane and a committee headed by Danielle raised almost \$10,000.

Now is the time to start thinking about attending the **District Conference**. This helps all Rotarians to learn more about what is being done outside of our club. You will also meet people from all over our new expanded District. To register, go to:

www.njrotary.org and scroll down the page to find the conference info. Click on that and you will be able to access the registration form.

The whole process took me less than 5 minutes. There is also a tour that you can sign up for while there.

50/50

There was no 50/50 last night

Back at American Bistro next week.

Time to start contacting local businesses for Beefsteak contributions. The Beefsteak is just over 2 months away!
