## OUR 68TH YEAR OF "SERVICE ABOVE SELF"

### **FIRESIDE - NEW YEAR'S PARTY COVID POSTPONED:**

Patty emailed all this past week advising that she received emails from members who did not feel comfortable attending. She stated, "...that the feedback we have received makes it impossible for me to continue to go forward with this party. Covid is popping up everywhere. It may not be a serious illness for some....but for others, it could be very serious. We just don't know."

Patty continued, "We want to have everyone enjoy any event we have. At this point, we just don't have enough people who would attend to justify the cost of a party. I assure you that we will make up for these cancellations. We will have more events in the Spring. I do not want to risk having someone get ill from one of our events. I wish each of you a very Happy New Year. I pray that this new year will be better for all of us."
