“CELEBRATING OUR 68TH YEAR OF “SERVICE ABOVE SELF”

OUR CHARITY GOLF OUTING: Kathleen P.

noted that it is just five weeks away, on September 10th. We need golfers, gifts and sponsors. Additional flyers are available and on line. We want and need this to be the most successful golf outing ever.

PV ROTARY BALL DROP: There will be a stand alone “PV Rotary Ball Drop” found raiser from a Fire Department ladder truck held as a separate event immediately before the golf outing. One hundred numbered balls will be sold for \$50 each, the three closed to the pin will respectively receive 25%, 15% and 10% of proceeds while our club will receive the other 50%. Tickets are available now; Kathleen handed out five to each of us at today’s meeting.

PRESIDENT PATTY ODENBRETT:

ERICK JACKOWSKY: Patty read a letter of resignation from Erick Jackowsky as an active member due to business and health reasons. Erick has been an active member for 33 years and served as club president twice, the second time stepping into the breach when a president suddenly resigned after less than three months in office. During the past decade, Erick has served as our GIFT OF LIFE chairman and championed us to provide for the surgeries of dozens of kids and the training of doctors in their home countries. Erick will continue with PV Rotary as our newest Honorary Member.

DUES ARE OVERDUE: Patty reminded those who have not yet paid, please do so. We are already committed to paying your portion of dues to Rotary International and the District. We know times are tough for some, so please contact her privately if you wish to pay in installments.

DWI VICTIMS MEMORIAL: Patty is working on a revival of our DWI victims memorial; we cannot list a victim until the case has been fully adjudicated.

MORE CLUB BUSINESS: Patty mentioned working on plans for the club picnic. Cary spoke about the “SLACK APP” which would allow rapid communication between Rotarians or groups of Rotarians, he will send invitations. Patty also reported that the bathroom tile that was “stolen” from her bathroom during her club budget preparation meeting has been returned and she held it aloft in triumph; (photo on next page).

HAPPY/SAD DOLLARS: Jim Cramer had 2H\$ that his mother made it safely back home to Michigan and for our "potential new member Marlene being here with us today." Donna had a S/H\$ that her cousin, in his sixties, caught a bad wave while surfing, broke his back and neck, and "was dead in the water" for eight minutes; however he was rescued and is walking again and she also had 4H\$ that after forty years in the laboratory business, her husband Nick will be retiring; (and someone said, possibly be working for Marlene?). Marlene had a H\$ to see everyone and to be back to a meeting; Shrey had a S\$ that his dad lost his wallet and 2H\$ as he is looking forward to a well earned Maine vacation in a couple of weeks.

Cary had 5H\$ for spending five happy days at Paullis Island in South Carolina but was sad for US women's soccer defeat. Dave H\$ for enjoying the grandkids visit from Arizona, "doing fabulous;" Alma H\$ For remembering Bill Van Riper at his memorial service; Patty O H\$ For Halsey doing well but still waiting for his the valve job; Jay H\$ for spending an afternoon with a good friend in the city, a H\$ for Bill Van Riper's memorial service and a H\$ For receiving a \$100 donation for our Rotary Foundation Scholarship Fund from one of Bill's extended family after Jay spoke at the service. Jay also had another H\$ for many zoning board applicants as John Driesse has resigned from the board and another H\$ that John has been appointed to fill the Township Council vacancy left by Rich Phelan due to a change of residency.

33/33/33 Jim or Patty O won 22 points, but the Joker stayed hidden. Scribe Jay ###
