I joined Rotary in 1996, 24 years ago. Like many of my fellow Rotarians, I am a past president I served 2011 to 2012. Rotary is not the only service club I have been a part of in the 80s I was a part of Bristol JC's. I have been studying martial arts for thirty-three years. Now I am a 10th-degree grandmaster.

I was born and raised in Meriden, CT. I graduated from Maloney High School in 1966 and Graduated from the American Academy McAllister Institute of Funeral Service in NY Class of 1967. Shortly after graduation, I started a two-year apprenticeship then became an embalmer and funeral director in 1969. I celebrated fifty years as a licensed embalmer and funeral director. Some of you may know of DuPont Funeral Home, well I purchased the funeral home on July 1, 1980. It is a family business. My son has followed in my footsteps. He will take over the business so I can retire.
