I have been a member of Rotary in Bristol and Hartford. For the last eighteen years, I have been a visiting Rotarian at the Sunrise Rotary Club in Venice, Florida. A number of years ago my 16-year-old daughter was a Rotary exchange student in England and my family hosted a 16-year-student from Paris, France the following year. I was a banker in Bristol, New Britain and Hartford and retired almost twenty years ago. I have four grandchildren and two of them graduated from Colby College in Waterville, Maine and the other two grandchildren are sophomores at Colby College. I enjoy reading novels and just recently finished *Where the Crawdads Sing* by Della Owens and *American Dirt* by Jeanine Cummins. I do enjoy books written by Lee Child, Michael Connolly, John Grisham, Jeffrey Archer, Harlan Coben and David Baldacci. I play golf, exercise at a gym and visit a dog beach in Florida with my two-year-old golden retriever.
