I love volunteering. Before Rotary, I was a part of the Big Brothers and Big Sister eight years, Bristol Lions Club eighteen years, Mum Festival Committee six years, OM Old Boys Club fifteen years, and the Eastern Region Little League for three years. The reason I continue to volunteer is that I enjoy it.

I went to Niagara University, NY, for my schooling and lived there for seven years. Something I highly recommend in your life is to see Niagara Falls from both the American side and the Canadian side. I did everything they had to offer there. I went under the falls to the massive garden to the rainbow bridge on the Canadian side.

I was a substitute teacher, for fifteen years I subbed in Bristol's K to 5 schools. Now I am retired. I work out and still volunteer my time. A fun fact about myself, I have been to all thirty major baseball league stadiums.
