- I have been a member of the Bristol Rotary Club for 5 years.
- I received my undergraduate degree from Providence College (RI) in humanities, with specializations in marketing and German. I have a Master's degree in Art History from UMass Amherst.
- Currently, I am the Executive Director at the American Clock & Watch Museum in Bristol. Before this, I worked as the Chief Curator and Interim Executive Director at the Mark Twain House & Museum in Hartford, the membership coordinator at the Florence Griswold Museum in Old Lyme, and other area museums. I have extensive background in all aspects of non-profit work, including curatorial, development, grant writing, and marketing/events.
- Fun facts - I have a pit bull named Phoebe and a bearded dragon named Axel. I love flamingos, especially plastic lawn flamingos, and have ones decorated for different holidays. I'm a huge fan of Wonder Woman, Miss Piggy, and Betty Boop. Favorite movie is Breakfast at Tiffany's, but I've probably seen the Princess Bride and all of the Harry Potter movies more than anything.
- Current goals -- get through this quarantine with my sanity intact! After that, I'd like to continue the tradition of community service that has long been a part of our Rotary Club and find ways to make Bristol a better place to live and raise my family.
- My dream job would be to run a rescue for senior dogs!

Bristol and Beyond
