TODAY'S PROGRAM

Program Chair of the Day: Kendall Laughlin

Rotary Day: RYLA and New Member Speeches

About Camp RYLA

Strong leaders are made, not born. Leadership principles are learned, not inherited.

Through Camp RYLA "Leaders of Tomorrow" have a forum for teamwork, communication, and consensus building in an environment that challenges personal and team responsibilities.

This week long leadership summer camp yearly provides over one hundred outstanding high school students opportunities to expand their leadership skills through cabin activities, athletic events, educational workshops, and team building.

Our club had the largest number of applicants to date for the RYLA awards. Our strong relationship with Hillcrest H.S. continues to pay dividends as two male and two female students were chosen to attend the Rotary Youth Leadership Award camp this June 5-10.

The winners are Judy Banos, Alma Medina-Gonzalez, Adrian Smoot and Andrew Flores. Two alternates also were selected.

RYLA was founded in the 1960's in Australia. The first camp in District 5810 was held in 1991. Each year about 175 students (rising seniors) go to Camp Hoblitzelle in Midlothian for a week that provides "outstanding student leaders an opportunity to expand and hone their leadership skills". The scholarships are valued at \$580 per camper.

blood drives this Rotary
year. WOW!

The RPCP sponsored a two-day competition to honor the Fire and Police Depts. of Highland Park and University Park by donating the gift of life. It was a spectacular success! A total of 113 units were donated during the drive, and when a ceasefire was called the vote count showed Highland Park this year's clear winner.

Youth would be an ideal state if it came a little later in life.

THEY PROFIT MOST WHO LAUGH BEST

Public figures may well care to ponder the death of Franco. Surrounded on his deathbed by his faithful generals, he heard outside, beyond the closed drapes, a strange subdued noise like the sea, and asked someone what it was. An aide did. He looked down from the palace balcony and returned with a lump in his throat and tears in his eyes. He reported, "It is the people. Thousands of them. They have come to say goodbye." Franco raised himself

on one elbow and barked, "Why? Where are they going?"

Today's economic situation:

Agent to Tenant: "I called today to tell you that we are raising your rent."

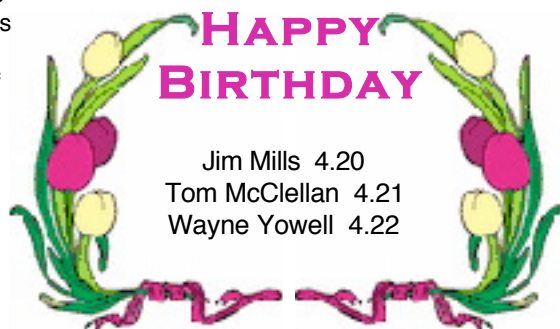

Tenant: "That's good. I can't raise it myself."

ChildsPlay Clean-up Day

A hearty crew of RCPC members completed a full spring cleaning of the Club's Centennial Project before the rains began on Sat, Apr 17. Special thanks go to Doug Means for "volunteering" several employees from his construction company to operate the power washers. It really helped the process. The new addition to the playground looks great, too!

Greg recognized **Alan Winn** who has accomplished his ninth level as a Paul Harris Fellow.

Dennis Dorsey, head of NorthPark Security introduced our speaker today. Robert

Casey, the FBI Special Agent in charge of the Dallas Field Office, describing him as a true American hero. Mr. Casey stated that the FBI is one

the most unique organizations in the world. It was founded to deal with interstate crime and threats from abroad, by investigating and enforcing criminal violations of the law and by collecting intelligence within the USA. He indicated that the FBI had national priorities for its work, with the first being to prevent terrorism, either by organized groups such as Al Qaida or by a lone wolf. Their second priority is counter intelligence. Their third is cyber national defense, protecting data and interfering with recruitment for support of terrorism over the internet. They also investigate public corruption, organized crime such as that by the Mob, and they enforce civil rights laws. Although violent crime used to be one of their top priorities, they no longer have the manpower to investigate any but the most high profile cases.

Question of the Day

Q : How did the GSE concept get started?

A: It started in 1965 with exchanges between clubs in California and Japan. Since then 35,000 professional men and women have been on GSE Teams.

THOUGHTS ON...

Travel

Before he sets out, the traveler must possess fixed interests and facilities to be served by travel. ~ **George Santayana**

Certainly, travel is more than the seeing of sights; it is a change that goes on, deep and permanent, in the ideas of living.

~ **Miriam Beard**

Own only what you can carry with you; know language, know countries, know people. Let your memory be your travel bag.

~ **Alexander Solzhenitsyn**

He who would travel happily must travel light. ~ **Antoine de Saint-Exupery**

When you travel, remember that a foreign country is not designed to make you comfortable, but to make its own people comfortable. ~ **Clifton Fadiman**

HILLCREST H.S. INTERACT

Interact Spring Fling

Fourteen members of our Hillcrest High School Interact Club, along with **Tracy Gomes, Linda Tunnell, and Ley Waggoner**, went to a wonderful house in Sunnyvale for an afternoon of fun, games, good food and fellow-ship with members of eleven other Interact Clubs. And it didn't rain!!

THEY PROFIT MOST WHO LAUGH BEST

Health nuts are going to feel stupid someday, dying of nothing.

Why does a slight tax increase cost you \$200.00 and a substantial tax cut saves you \$30.00?

Some people are like a Slinky. Not really

good for anything, but you still can't help but smile when you send them down the stairs.

COMMITTEE TIME

Ronald McDonald House

Jarl Johnson prepares to open the serving line at the new Ronald McDonald House on Monday, April 17. RCPC members served a full dinner – this night generously donated by Kathleen's Sky Diner – to the House's 75 to 100 residents. It's

a wonderful night of fellowship and service each third Monday of the month. **Join us in May!**

RCPC Presents to UP City Council

Blood Drive Chairs, **Jack Kearney** and **Michael Rainwater**, along with Carter BloodCare rep. Sharyl Branam present a plaque to Police Chief Gary Adams and Fire Chief Randy Howell during the April 20th UP City Council meeting to recognize their participation in the 1st annual Battle of the

Badges Blood Drive which brought in **113 units.**

Web Lite

Internet/ Web Chair **Dennis Harrison** led another web lite session after Friday's meeting.

This is a must for new members and anyone who wants to become comfortable using our club's very up to date website!

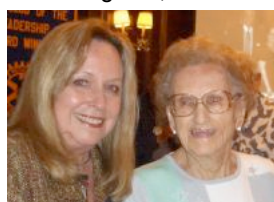

Chartered in 1948

LAST WEEK

Presiding: **Phillip Bankhead**
 Invocation: **Kristine Christlieb**
 Pledge/Song Leader: **E.G. McMillan**
 Introductions: **Nolan Duck**
 Four Way Test: **Charles Delphenis**
 Photographer: **Ley Waggoner**
 Chair of the Day: **Brad Rejebian**
 Speaker: **GSE Team from India**

President **Phillip** called the meeting to order at 12:13 pm. After **Kristine Christlieb** gave the invocation, **E.G. McMillan** led the Pledge and song. **Dax Seale** recognized our Hub and Web advertisers. **Nolan Duck** then did the introduction of guests. A special recognition was given to **Karen Farris's** guest, **Sammie Eads**, who

was celebrating her 99th birthday. With the club serenading her to "Let Me Call You Sweetheart," **Cleve Clinton, Ley Waggoner** and

Cleve's guest, **Tom Gilchrist**, took turns dancing with her. (Sammie said the secret to a long life was dancing!)

Two new members were then introduced. **Ed**

Fjordback introduced **David Owen**, while

Hy Lyon presented **John Chambers**. **Phillip** then recognized all of our Paul Harris Fellows: **Charlie Bond, C.C. Col-**

lie, Dennis Devenport, Rosemary Domecki, Doug Gill, John

Glancy, Bob Heard, Doug Means, Gerry Montgomery, Greg Pape, Jerry Washam and Alan Winn. He then asked for help with Buckner Sporting Clay Shoot.

The GSE members then presented a program on their home

nation of India that started with the Indian National Anthem while a film showed Indian troops in the Himalayas at the border with China, the highest military base in the world.

Their program covered Indian culture, art, sports and languages. (Cricket is the most popular sport in India, and the highest cricket field in the world is located there.) They also showed photos of their homes, children, wives and places of business.

An interesting segment was on one the charities their Rotary club supports, an eye bank. Each member is trained on the proper removal of eyeballs from a donor's body, then the eyes are frozen and transplanted. The meeting concluded with our recitation of the 4-Way Test.

THOUGHTS ON...

Controversy and Civility

The curse of modern times is, that almost everything does create controversy.

~ Horace Walpole, 1770

The ultimate measure of a man is not where he stands in moments of comfort and convenience, but where he stands at times of challenge and controversy.

~ Martin Luther King, Jr.

Civility is not something that automatically happens. Civil societies come about because people want them to.

~ Jimmy Bise, Jr.

Civility costs nothing and buys everything. ~ Lady Mary

Wortley Montagu

FAMILY of ROTARY

From Elaine Allen

April 17, 2010

Rotary Club of Park Cities

Dear Friends,

Thank you very much for the donation to Friends of the Military in memory of Don. Your love, friendships and support mean so much!

Thank you for all you do in support of our veterans.

Sincerely, Elaine

Marc and Susan Hall Honored

The Highland Park High School Alumni Association have announced that Marc and Susan Hall are to receive the 2010 Highlander Award. The award will be presented at the Association's April 30th banquet to be held at the Pavilion at the Belo.

FOR MAY DAY and THE SUMMER GARDENS

with thanks to Elaine Allen for sending this.

How To Plant Your Garden: First, you come to the garden alone, while the dew is still on the roses.... for the Garden of Daily Living:

Plant three rows of peas: 1. Peace of mind 2. Peace of heart 3. Peace of soul

Plant four rows of squash: 1. Squash gossip 2. Squash indifference 3. Squash grumbling 4. Squash selfishness

Plant four rows of lettuce: 1. Lettuce be faithful 2. Lettuce be kind 3. Lettuce be patient 4. Lettuce really love one another

Plant three rows of beans: 1. Bean There, Done That 2. Bean Forgiven 3. Bean Blessed.

No garden is without turnips: 1. Turnip for meetings 2. Turnip for service 3. Turnip to help one another

Carefully weed the row of Good Intention filled with mint, or it will take over the whole garden: Mint to write that letter,

Mint to make that phone call, Mint to tell my loved ones I care, Mint to talk to God.

To conclude our garden we must have thyme: 1. Thyme for each other 2. Thyme for family 3. Thyme for friends

Water freely with **Patience** and **cultivate** with **Love**. There is much fruit in your garden because **you reap what you sow**.
