Dear Mr. Bush: *(letter addressed to Mr. Bud Bush / General Manager)*

“We wanted you to know about the pleasant experience we had with Barbara Barney when selling our home recently at 4124 Deep Valley Drive. Barbara spent a lot of time with us and furnished all the supporting information necessary to get the property ready to sell. She was always ready to help in any way possible. We did most of the things she recommended to make the home attractive to buyers.

We felt like we were a team and sold the home in 2.5 months in this market. We think that is because Barbara spent several Sundays doing open house promotions plus lots of time marketing the home to other Realtors. We received a premium of about 14% above the average *(sales price)* in the area.

We would highly recommend Barbara to any of our friends who may be buying or selling a home.”

Sincerely,

Jim & Julia Holcomb

Dear Mr. Bush: **(taken from a letter addressed to Mr. Bud Bush / General Manager of Dave Perry-Miller & Associates)**

“I want you to know how pleased my Mother and I are regarding the outstanding service provided by Barbara Barney in the selling of my Mother’s house.

Barbara is the consummate professional. I have bought and sold 7 houses in my life and never have worked with a more outstanding Realtor than Barbara. I was very impressed with her efforts, persistence, and the amount of work she put in to provide us the most outstanding service. But more than that, Barbara was nice to be with. She was most courteous, kind and understanding.

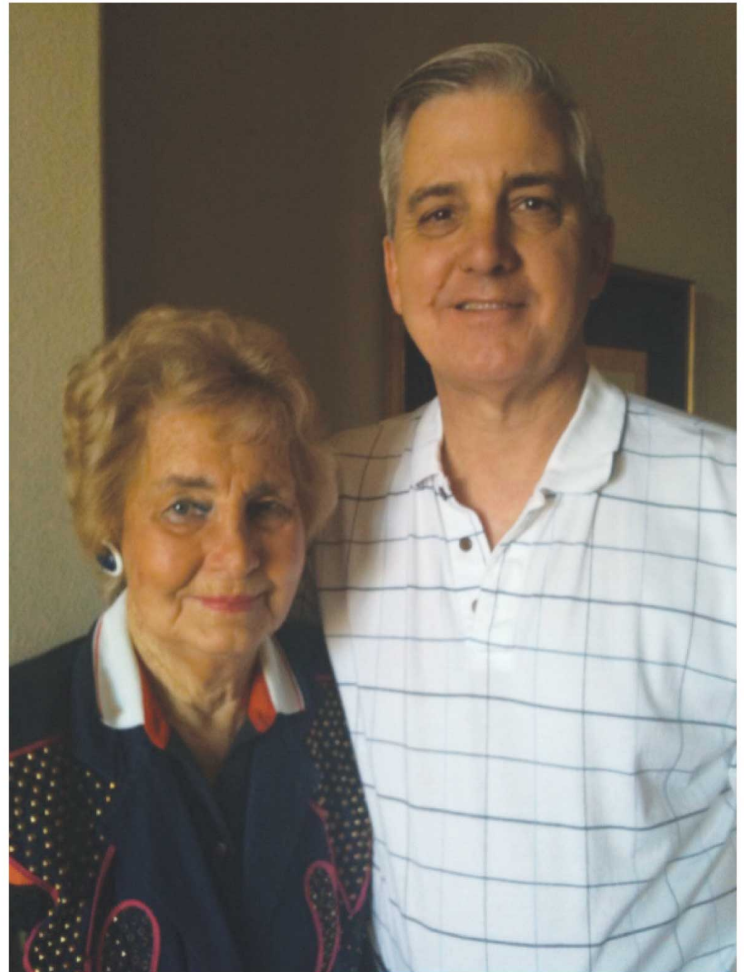

I will remember this service, and Barbara has my referral any time.”

Regards,

Steve Larson

Dear Barbara,

“I am very pleased you were able to sell our home on Basil Court so quickly.

Six days after you listed the home, you had four offers for me to choose from. You helped sell the house for the full listed price and without any repairs having to be done.

I certainly will recommend your services to anyone in the market to sell a house.

Gratefully yours,

Carol Clayton”
