Dear the Rotary Club of Park Cities,

Your gift has already made an impact...

"I want to stay employed, but the insurance employee portion is so high it eats up most of my check, and I would be unable to keep a roof over my head. If the Agape Clinic did not exist, I do not know where I would qualify or find care access for my family and me. Because of Agape, we have wonderful healthcare! Since becoming a patient, I have lost 25 pounds, and my diabetes is beginning to be controlled. I am determined not to have high blood pressure, diabetes, and be overweight, and with Agape's help, I know I can do it!" - an Agape Clinic Patient.

Thank you for your generous gift to the Agape Clinic of \$6,000.00 on November 22, 2022.

As the Director of Development, I thank you for making our work possible. Your generosity allows us to look beyond the challenges of today. With your support, we can focus on our future, identify those in great medical need, and serve more who cannot access healthcare services. Today, the Agape Clinic is the only 100% privately funded charity facility in Dallas that extends care to Dallas/the surrounding area without restrictions or prerequisites. Since our founding in 1983, the Agape Clinic has provided 39 years of consecutive healthcare to over 118,500 clinic visits, and we expect an additional 12,500 patient visits in 2022.

We are deeply humbled and privileged to be part of caring for so many in North Texas and beyond! Without your support, all of this would not be possible.

Sincerely,

Amy Dunivan, MM
