Dear Jeff and friends of Rotary of Park Cities,

Do you realize that you really do make a difference? We do! And we are grateful for you.

Your grant to Equest for \$5,413.44 on November 22, 2022, means that 10 veterans will receive 20 counseling sessions at no cost to them. The adults, children, and veterans we serve experience stronger bodies, calmer emotions, clearer minds, and dignity. Your donation means that you understand just how valuable the human horse-connection is to our clients living with a disability, whether cognitive, physical, or emotional.

Because of you, Equest is improving the quality of life for our clients through the benefits of therapeutic horsemanship, O.T./ P.T., equine assisted learning, equine facilitated counseling, challenged equestrian competitions, and more. In addition, our 32 therapy horses are well-cared for so they can do their jobs to bring about hope and healing for the children, adults, and veterans we serve. And we can continue to make sure that financial scholarships are provided to those who need it the most.

The road isn't always easy for our clients and their families, so we strive to provide a positive outlet for every client to experience a better quality of life through the healing connection with our beloved therapy horses - your gift makes this possible.

***"Henry has only had two sessions at Equest, and we have already seen a huge difference in his anxiety levels on Thursdays. If his baseline anxiety normally trends at a 7, his sessions riding Patron have brought his anxiety down to a 3 for several hours. Thank you so much for this program!!"***

Thanks to you, our clients are brimming with newly acquired confidence in what they can achieve and are learning how hard work and commitment can lead to amazing success in their lives. Please contact our development department at 972-412-1099 if you have questions, or to schedule a tour of our facility, including the recently opened Al Hill, Jr. Arena.

Strength, calm, confidence, milestones... we are so grateful for your generosity.

With deepest gratitude,

*Christine*
