### LAST WEEK

Presiding: **Paul Pirok**  
 Invocation: **Mary Bishop**  
 Pledge: **Patsy Watson**  
 Photographer: **Ley Waggoner**  
 Chair of the Day: **Tom Rhodes**  
 Speaker: **Nanette Fought, Dir. of Development, Voice of Hope**  
 Program: **Helping the Children of West Dallas**

The meeting began with President **Paul Pirok** calling the meeting to order. **Mary Bishop** gave the Invocation and **Patsy Watson** was song leader. **Shawn Foster** introduced **Chris Clausen**, CNC Homecare, specializing in Home, Hospital and Independent care since 1994 as Marketplace Advertiser of the week and HUB sponsor. **Chris** has been a member of the Club since 1995. He is a Paul Harris Fellow and a Frank Monroe Fellow. We thank him for his service and support. He lives his commitment to community service in his public and private life.

President **Paul** called on **Sarah Oliai** to publicize the 4th of July Parade Grand Marshal Luncheon on June 7th where we will host this year's Grand Marshal, **Francie Moody-Dahlberg**. This is the second year of this new Parade tradition; put a star on your calendar for 6/7! **Sarah** also told us to visit our own "Park Cities 4th of July Parade" page on Facebook to keep up with the latest news.

Club Dues reminder for Year 2019-2020, New this year: \$360 per member, due by May 31 or \$200 due May 31st if you would like to pay in half year amounts.

President **Paul** shared news from the District Awards held Saturday, May 9th. The club nomination process changed significantly this year and each club was asked to submit only one-page detailing club accomplishments for consideration. He tried hard and reduced print to 8pt type but still it took two pages. (Yay us!) The new guidelines state no club is to receive more than one award and no Club of the Year or

President of the Year was awarded. Drum roll ... we won the "Service Above Self" award, which is less specific than most awards, it commends an overall success. The new banner was unveiled.

**John Gilchrist** introduced our speaker, **Nanette W. Foght**, Director of Development for the Voice of Hope Ministries a Christian based after school and out of

school care non-profit organization that provides character development and faith-based education to low income children from pre-k to twelfth grade in West Dallas. They currently serve a total of 400 students per week. They are located in the zip code 75212, one that is designated as a "food desert". Ms. Foght said we all want to change the world; Voice of Hope believes it begins with children. The nonprofit started in 1982 as a vacation bible study and has grown into the ASPIRE after-school program and Summer Day Camp. She reviewed the *six pillars of character* taught each child and how to live the positive behavior. They are Respect, Citizenship, Integrity, Responsibility, Fairness and Caring. Ms. Foght said they have added social and emotional learning as essential skills to develop self-awareness, relationship building and positive decision making. She then showed us a series of videos including a mother of one of the students, who told a first-hand story of the benefits and development of her child since joining the "family" of Voice of Hope. Next there were videos from the students themselves and how they live their favorite virtue/character, all very affirming of their work. She invited us to go on our own mission trip; drive 15 minutes south to tour their site and participate. Their strategic plan includes a Vision of twenty additional sites over the next ten years.

### HE WHO LAUGHS, LASTS

Airman Jones was assigned to advise new recruits about their government benefits. He also sold them optional GI insurance. It wasn't long before Captain Smith noticed that Airman Jones had almost a 100% insurance sales. This never happened. The Captain stood in the back of the room and listened to Jones's sales pitch. It went like this: Jones explained the basics of the GI Insurance to the new re-creates, then said, "If you have GI Insurance and go into battle and are killed, the government has to pay \$200,000 to your beneficiaries. If you don't have it, and you are killed in battle, the government only has to pay \$6,000." "Now," he concluded, "which bunch do you think they are going to send into battle first?"
