TODAY'S PROGRAM

Program Chair of the Day: Ley Waggoner

Chip Waggoner

What Happens When Plans Are Turned Upside Down

Chip grew up in Dallas and started his career at KDFW Fox4 as an Airborne Traffic Anchor in 1996. In 2008, he moved into the studio and can be seen on Good-Day every morning from 4-10AM.

Chip is an Emmy award winner and loves serving this area every day. Chip serves as a Camp John Marc board member and is a deacon at Park Cities Baptist Church. In April,

Chip became an author and his book is entitled "The M.I.P."

M.I.P.: Discovering the Wonder of God's Perfect Plan for Our Lives

Does it seem like God's plan for your life has turned your own plans upside down?

Have you found yourself questioning where God is after something seemingly devastating happened?

In my over twenty-five years of serving in the television broadcast journalism field, I have seen exhilarating police rescues, dynamic car chases, and unparalleled heroism in high-pressure fire

rescues. I even "became the news" when I survived a near-death helicopter crash. Yet, none of these adventures compared to the off-camera events of my life.

M.I.P. (Miracle in Progress) Discovering the Wonder of God's Perfect Plan in Our Lives, is my candid reflection on the soul-searching struggle my wife and I faced when we learned our unborn son would come into the world with special and complex challenges.

ROTARY INTERNATIONAL

Shelter Box is an offshoot of Rotary and provides humanitarian aid wherever there is disaster or violence. (Stories excerpted from the ShelterBox Newsletter.)

Sudan

In April 2023, a civil war erupted in Sudan between the Sudan Armed Forces (SAF) and the Rapid Support Forces (RSF). One in every five people in the country have been displaced because of the war and previous conflicts in parts of Sudan since 2003. This humanitarian crisis is extreme. Several million people have fled into neighboring countries.

International aid into the country was blocked until the end of 2024. This is the first time people have received proper humanitarian assistance since the war began in 2023.

We [ShelterBox] now have supported around 7,500 people in Sudan across 6 locations with essential shelter assistance. Our plan is to do more.

Syria

We are providing shelter for families who have been forced to leave their homes due to the conflict in Syria. *(continued on pg. 3)*

THOUGHTS ON...

Plans

Life is what happens to you while you're busy making other plans.

~ John Lennon

In preparing for battle I have always found that plans are useless, but planning is indispensable.

~ Dwight D. Eisenhower

Make no little plans; they have no magic to stir men's blood... Make big plans, aim high in hope and work.

Daniel H. Burnham

First comes thought; then organization of that thought, into ideas and plans; then transformation of those plans into reality. The beginning, as you will observe, is in your imagination.

~ Napoleon Hill

Unless commitment is made, there are only promises and hopes... but no plans.

~ Peter Drucker

Zeus does not bring all men's plans to fulfillment.

~ Homer

Good plans shape good decisions. That's why good planning helps to make elusive dreams come true.

~ Lester R. Bittel

Everybody's got plans... until they get hit.

~ Mike Tyson

ROTARY INTERNATIONAL / SHELTERBOX (continued)

'Sudan' continued

16.7 million people need humanitarian assistance. Since 2012 we have provided assistance in Syria and also offered shelter and household items to Syrian refugee households in Jordan, Iraq, Lebanon and Greece.

Gaza

Up to 1.9 million people are currently displaced across Gaza. With famine looming, people are still being displaced, again and again – without adequate shelters to move to.

People who returned to the north of

Gaza during the recent ceasefire are being forced to move south to access the little aid there is.

At the same time, hundreds of thousands of people have been told to leave southern Gaza, to make way for an 'unprecedented attack' People are gathering what they have left and walking to al-Mawasi. We have more aid in Jordan ready to go, and enough tents to shelter thousands of people, but we can't move it because of the ongoing restrictions.
