Applications for the next Cohort Are Open

One of the truly unique things about our Club is our Legacy of Leadership program. This is a leadership development program that helps our members be better leaders in our Club and also in their daily lives. The focus is on servant leadership and teamwork.

We have had four cohorts travel through this program, and we have improved the course every time. We have found that not only is the course beneficial as a leadership training, it has also built strong relationships within the Club. *(continued on page 3)*

LAST WEEK

Presiding: **Jeff McNaughton**
 Invocation/Pledge: **Nolan Duck**
 Photographer: **Van Oliver**
 Chair of the Day: **Jeff McNaughton**
 Speaker: **DG Howard Templin**
 Program: **Update on District 5810**

President **Jeff McNaughton** called the meeting to order. VP **Nolan Duck** gave the invocation and then led the Pledge of Allegiance and the singing of the Star Spangled Banner. President **Jeff** asked for Happy Bucks. Among our visitors and guests today was a member of the Dallas RC and a member of the Fredericksburg RC. **Michelle Brown** introduced our Marketplace Advertiser of the Week, **Pat Martin** and People Newspapers.

PP **Ley Waggoner** introduced the family of E. G. McMillan who was present today. He read a Memorial to E.G. who passed away on July 6th. He was remembered as a Renaissance man. He has undergraduate and graduate degrees in Marketing and later obtained a law degree. He returned to his home town to run his family's grocery before practicing estate and title law. He was a member of RCPC for sixteen years and was active in his church and community. A copy of this Memorial Tribute was given to his family.

Kathy Allred started her New Member Speech by saying she had been a Rotarian for thirty-two years. She was born in San Antonio to a military family, and lived in England for four years as a child. That began her love of travel. She has traveled to 115 countries on all seven continents. She has made up Rotary on all of the continents, except Antarctica. There are two Rotary Clubs in Antarctica, so she plans to go back. Her first job was as a bookkeeper in Iceland. Her second job was as a volunteer Deejay in Spain. She joined several car clubs in Spain. She then returned to live in Plano. When her two children drowned, it was difficult but she said she learned not to let tragedy destroy you. She moved to Southern California and tried different things; she really enjoyed real estate. She moved to Austin, and is now in Dallas.

Please remember ...

Please let us know your joys and concerns.

Donald Carter from the Dallas RC announced the Dallas RC's Salute to American's Veterans on November 9 benefiting the USO DFW and the George Bush Institute Military Service Initiative. They are needing sponsors and volunteers.

President **Jeff** introduced DG Howard Templin. First his wife Ellen spoke on her charity which benefits the victims of human trafficking. DG Howard then began his "Update on District 5810." He said he had had a very informative meeting with the RCPC Board and is excited about all of the good things the club is doing. He said District Governors always talk about membership, the Foundation, and recently Public Image. He realized that membership builds the Foundation, and the Foundation sends the funds for projects, which is why we joined Rotary. Also, when you are doing local projects, you can invite non-Rotarians to participate and introduce them to Rotary. RI has been emphasizing public image quite a bit because a few years ago Rotary was a "best kept secret." The effort has made improvements in the last few years. He recommended when the club does a project, take a video and put it on the website. Also take some action still shots and put them on Facebook. Let people see the things the club is doing that they might want to be a part of. Membership is important to maintain the club. RI President Jennifer Jones is emphasizing retaining members by creating an environment where members feel valued and recognize them for the good things they do. Clubs should create a family atmosphere to retain members. DG Howard said he had set a net goal of gaining one hundred members in the District, but to accomplish that the clubs will have to attract over two hundred members. Diversity is also a focus of RI. Their goal is to have forty percent women. His goal is to have forty percent women in leadership in both the clubs and the district. Overall diversity is important also. He suggested doing a demographic study of the community and try to match the club with the community. Look for Rotarians who don't know they are yet.
