COMMITTEE TIME

Out of Town on the Fourth of July?

-from Karen Farris

We realize that some of our members will be out of town on the 4th or are not physically able to work the parade. Good news - there is still a role for you.

Barb Jeffries and I head up a committee that manages the clubs participant database, designs and sends out invitations, follows up with commercial and community groups and handles some of the administrative detail behind the scenes.

We will have ONE meeting; the rest of the work can be done on a flexible schedule from the comfort of your home. Please let me know if you want to join illustrious group that we are calling the "**Out of Town but Engaged**" group by sending an email kfarris@rhsb.com.

Catholic Charities. He started by saying he had been in his position for under a year. He explained that a refugee is someone who cannot return to his homeland safely. He explained that refugees have three alternatives. They can return to their homeland if the situation improves; they can assimilate to a new homeland or they can resettle to a country very different from the one they left. He said that less than one percent of the world's refugees resettle, and the United States gets only a fraction of them. They are very highly vetted. In Dallas there are three resettlement agencies, Catholic Charities, the International Resource Committee and Refugee Services of Texas.

Last year the highest number of refugees to the U. S. was from Burma. President Obama approved 100,000 refugees to be resettled in the U.S., but President Trump has reduced it to 50,000. Due to budget cuts, their funds have been reduced. They try to provide wholistic services. They try to explain the culture and the law. They try to get the kids in school and help the parents learn English. The objective is for the refugees to become self-sufficient and to become tax-paying, law-abiding citizens. They help them to get jobs and expect them to be working within one to three months of their arrival on the U. S. Refugees are automatically entitled to work, once they get a social security card. He recited that we could all help by volunteering, mentoring a family, or donating things like pots and pans, furniture or food. The refugees have a very tight budget, and if items are not donated, then they have to use their budget money on them. He was asked who funds the refugees. The International Organization on Migration lends them money to travel, but expects for it to be repaid after six months.

THOUGHTS ON ... SERVICE ABOVE SELF

Thoughts

There are some that only employ words for the purpose of disguising their thoughts.

~ **Voltaire**

In every work of genius we recognize our own rejected thoughts; they come back to us with a certain alienated majesty.

~ **Ralph Waldo Emerson**

Don't think you are going to conceal thoughts by concealing evidence that they ever existed.

~ **Dwight D. Eisenhower**

Change your thoughts and you change your world.

~ **Norman Vincent Peale**

Nurture your mind with great thoughts; to believe in the heroic makes heroes.

~ **Benjamin Disraeli**

You are today where your thoughts have brought you; you will be tomorrow where your thoughts take you.

~ **James Lane Allen**

HE PROFITS MOST WHO LAUGHS BEST

1. Before you criticize someone, you should walk a mile in his shoes. That way, when you criticize him, you are a mile away from him and you have his shoes.

2. A bus station is where a bus stops. A train station is where a train stops. On my desk I have a workstation....

3. I believe five out of four people have

trouble with fractions.

4. If quitters never win, and winners never quit, what fool came up with, "Quit while you're ahead?"

5. What hair color do they put on the driver's licenses of bald men?
