TODAY'S PROGRAM

Program Chair of the Day: Dan Drabinski

Dustin Marshall

Dallas Independent School District

Dustin is CEO of Hazel's Hot Shot, an expedited freight and logistics company headquartered in Dallas, TX. Hazel's focuses on time-critical shipments and operates via several divisions which provide an array of transportation services ranging from local courier services to customized air freight to brokerage to expedited cross-country shipments. Dustin joined Hazel's in 2011 and has successfully tripled the size of the business while increasing profits by over 1000%.

Prior to joining Hazel's, Dustin was a Manager in the Chicago office of Bain & Company, a leading global consultancy. At Bain, Dustin led consulting teams in their work with Fortune 500 companies on topics ranging from Supply Chain Optimization to Sales & Marketing Effectiveness to Merger Integration to Portfolio Management. Prior to working with Bain, Dustin also spent time with Alliance Consulting, Fidelity Investments, and Walmart.com.

Dustin is heavily involved in the DFW community and is very passionate about education reform. In June of 2016, Dustin was elected to serve as a Trustee on the Board of the Dallas Independent School District (DISD). Dustin represents District 2 which includes parts of North and East Dallas. Prior to serving as a DISD Trustee, Dustin served on the boards of Reading Partners

North Texas, Uplift Education, Dallas After School, and Social Venture Partners Dallas.

Dustin also previously served on the Education Council of the Dallas Regional Chamber of Commerce, the Board of Directors for the Woodrow Wilson High School Community Foundation, and the Mayor's Poverty Task Force. Dustin is a member of Entrepreneurs for North Texas, a recipient of the Dallas Business Journal's "40-under-40" award, an alumnus of Leadership Dallas, and a Finalist for the Dallas Foundation's "Good Works Under 40" award. Dustin also serves on the Alumni Board of the Greenhill School and is an active member of the Lone Star Chapter of the Young Presidents Organization (YPO). Dustin is also an alumnus of the Presidential Leadership Scholars (PLS) program where he received intensive leadership training from several former U.S. Presidents and their senior advisors.

Dustin has a BS in Economics from the Wharton School at the University of Pennsylvania and a MBA from the Kellogg School at Northwestern University. Dustin resides in the Preston Hollow neighborhood of Dallas and is married to his lovely wife, Denise. Together, they have four amazing children, Lilianna, Jackson, Hailey, and Madelyn.

FAMILY OF ROTARY

Join the Plano East Rotary Club on Their Trip to Cuba

Once again the Plano East Rotary club is sponsoring a great service opportunity in Cuba. All Rotarians, family and friends are welcome to join us on this unique opportunity. Our last trip in September had 17 members representing 11 different clubs and 3 districts. The nation of Cuba is changing rapidly and you shouldn't miss this. Shortly after you land in Camaguey the first thing you will notice is the mid 50's Chevys, Oldsmobiles and the like but when you leave the city and get to the town of Céspedes where we will be working you notice that there are more horses and carts than there are cars. It is like stepping back 75-100 years.

Please join us, expand your world and help show the world the work of Rotary. The details of the upcoming trip is as follows -

Cuba - March 3 - 10, 2018 Experience the eastern portion of Cuba, countryside, cities and beautiful beaches. An incredible opportunity for cultural exchange

Join Plano East Rotary on a work trip to the island. We will be working on the plumbing and electrical work at a community center. No special skills are required. Trip cost is \$1,875 and includes airfare, travel visa, lodging and transportation, and most meals.

Be a Vibrant and Visionary Model of Service Above and Beyond Self

LAST WEEK

Presiding: **Pam Carvey**
 Invocation: **Stan Carr**
 Pledge: **George Burrell**
 Photographer: **Fred Speno**
 Chair of the Day: **Pam Carvey**
 Speaker: **Scott Peck**
 Program: **Climate Change**

President **Pam Carvey** called the meeting to order. **Stan Carr** gave the invocation. **George Burrell** led the Pledge of Allegiance and "The Star Spangled Banner" then helped to introduce our visitors and guests. **Shawn Foster** announced our Marketplace Advertiser of the week, **Lynn Surls** and Oldham Lumber Company. PP **Greg Pape** remarked that forty-four members of our club had contributed to the RI Foundation so far this year, and eleven of those have contributed one thousand dollars each. He reminded us to contribute at least one hundred dollars yearly: Every Rotarian Every Year. He explained that one of RI's goals is to promote peace. The theme this year is Peace: Making a Difference. He then called **Lynn Surls** to the podium. He noted that **Lynn** had joined RCPC in 1989, and

was in Rotary in Terrell before that. PP **Greg** awarded him his sixth level Paul Harris pin. He then awarded DG **Rick Amsberry** his eighth level pin. DG **Rick** is a member of the Paul Harris Society, whose members contribute \$1,000 yearly. PE **John Gilchrist** explained that the club is entering a new phase of strategic planning. He asked everyone to complete the short survey he would be sending out. President **Pam** recited that about twenty people attended the PCR Connect at Celebration Restaurant, and to plan to attend in February. She announced a food packing event with the Dallas Rotary Club in February

Janie Loveless who is still recovering from her second foot surgery.

and a Core Happy Hour in March. President **Pam** then introduced our speaker today, Kevin Yard, who spoke on climate change. He began with a recent headline, saying that New York City had sued the five major oil companies because they contribute to global warming. He said when he was doing his research, he found a comprehensive report, titled U.S. Global Research Program Climate Science Special Report. He said that it was very comprehensive and recited the results of studies by well-credentialed researchers across the globe. He said that he would report its findings. The global average temperature has risen 1.8 degrees over the last one hundred and fifteen years. Sixteen of the seventeen years have been the warmest on record. Recently the U. S. Has been experiencing abnormally cold temperatures, but other parts of the world are warmer. There have been three times as many warm days as cold days. Over history, during this period temperatures have risen faster than they have previously. Ice and snow reflects heat so the loss of ice makes us warmer. Greenland is losing ice. The global average sea level has risen by about seven to eight inches since 1900. Heatwaves have become more frequent. The costs of extreme weather events since 1880 has exceeded \$1.1 Trillion. He said that the magnitude of climate change beyond the next few decades depends on the amount of greenhouse gases. The global sea level is expected to continue to rise. In 2014-15 the carbon emission growth rate slowed as economic growth became less carbon intensive. The frequency and intensity of extreme high temperatures and extreme participation are expected to continue. There are thousands of researchers studying the effects of climate change. He was asked what the solution was, and he said to use more alternative energies, reduce the reliance on coal.

Our Mission

Building a legacy of good works and fellowship, we strive to:
 REACH those in need in partnership with others
 INSPIRE tomorrow's leaders with high ethical standards
 FOSTER lives of service above self

THOUGHTS ON ... FAMILY OF ROTARY

Teaching

For every person who wants to teach there are approximately thirty people who don't want to learn--much. ~ **W. C. Sellar and R. J. Yeatman**

I never teach my pupils. I only attempt to provide the conditions in which they can learn.

~ **Albert Einstein**

Good teaching is one-fourth preparation and three-fourths theater.

~ **Gail Godwin**

Experience is a hard teacher because she gives the test first, the lesson afterwards.

~ **Vernon Sanders Law**

Experience teaches slowly and at the cost of mistakes.

~ **James A. Froude**

Experience is a good teacher, but she sends in terrific bills.

~ **Minna Thomas Antrim**

If you would thoroughly know anything, teach it to others.

~ **Tryon Edwards**

You teach best what you most need to learn.

~ **Richard Bach**

Our lives teach us who we are.

~ **Salman Rushdie**

Fun Facts: Bob Wehrmann

1. What are you most proud of in your life?
Most proud of my children.
2. What is something about you that most people don't know? I was married on my birthday in order not to forget my anniversary each year.
3. What is your personal motto? "Second place is first loser"
4. Who is the person who has influenced your life the most? My mother was the strongest influence in my life.

HE PROFITS MOST WHO LAUGHS BEST

A guy placed an ad on a Local Affairs website: "I have two tickets for the 2017 Super Bowl, both box seats. I paid \$2500 for each ticket, but I didn't realize last year when I bought them that it was going to be on the same day as my wedding. I am looking for someone to take my place. The wedding is at St. Thomas Church, Providence at 3pm. Her name is Amanda. She's 5'6", about 130 lbs. She is a good cook, too. She'll be the one in the white dress."

We gratefully acknowledge

ASTRO-GRAPHICS

for the partial funding of The Hub

5. What was your first job? U S Navy
6. What is your favorite book or movie? The Man Who Warned America by Murray Weiss.
7. What would you like to be remembered for? Remember me for being a good person.
8. What is your favorite thing to do in your spare time? Saltwater fishing
9. What is your nickname? Worm
10. How did you first learn about Rotary? Learned about Rotary while addressing fourteen (14) Rotary Meetings in the Dallas Area telling the story of the USO.
