RCPC Donates to Assist the Officer

A contribution of \$10,700 was presented to representatives of Assist the Officer Foundation and the families who were affected by the shootings in downtown Dallas.

Accepting the check was Frederick Frazier, Chairman of the Assist the Officer Foundation. He is a 21-year veteran with the Dallas Police Department. Outside of his full time position with the police department, Frederick dedicates his time in helping ATO with their day to day operations, fundraising, marketing and networking to increase public awareness of the organization. As an experienced officer, he has witnessed first-hand the dangers that surround his co-workers.

The ATO Foundation sponsors and funds a number of programs and services for police officers and fire fighters, including

a confidential counseling program, financial assistance while recovering from injury or illness, and a death benefit to help defray expenses.
