Some recent headlines and quotes about the DSO -

DSO Gives Rare Performance of Mahler's 'Das Klagende Lied'

"Music director Jaap van Zweden made about as powerful a case as possible for something not quite a masterpiece."

A Stupendous Night of Wagner

"I can't think that I've heard another conductor produce so consistently gripping or so elegantly detailed an act of any Wagner opera as van Zweden's Friday night."

Van Zweden Leads Another Riveting Dallas Symphony Concert

"Most amazing of all may have been the Beethoven Fifth Symphony, overexposed around here, but on this occasion as fresh, challenging and frankly wonderful as if brand-new. Beyond the sheer electricity, definitely high-voltage, I marveled at van Zweden's feeling for the music's architecture."

They are starting new initiatives to help young children get ready; they are starting half-day programs for three year olds and full day Pre-K for four year olds. He said that about forty percent of students in DISD are English language learners. They are going to address the issue of school choice by creating more magnet school programs. An elementary has been converted into a successful girls' school focusing on STEM subjects. They are expanding the successful Early College where students graduate from high school with diplomas and Associate Degrees. They are also starting programs where industries are partnering with high schools. American Airlines and AT&T are involved. Chief Brown, from the Dallas PD will head up a new Police Academy.

#### HE PROFITS MOST WHO LAUGHS BEST

Farmer Evans was driving his tractor along the road with a trailer load of fertilizer. Tim, an eight year old, was playing in his yard when he saw the farmer and asked, 'What've you got in your trailer?'

'Manure,' Farmer Evans replied.

'What are you going to do with it?' asked Tim.
