Helping 19 children find a home!

by Michael Rainwater

The Adoption Awareness Carnival was held on Sat. Sept. 17th at the Boys and Girls Club in Rockwall. This District event is held each fall with multiple clubs participating. The goal is to help match kids in need of a home with adults who want to become parents, in a fun atmosphere. Nineteen children are now in the adoption process thanks to our efforts.

Park Cities Rotary sponsored the basketball shoot where each child was a winner and received a prize, led by chair **Larry Gebhardt** and vice chair **Susan Harris** along with PP **Phillip Bankhead**,

Charlotte Hudgin, **Ruth Knost** and **Michael Rainwater**. Rotary clubs work to-gether to make a differ-ence for

HHS Interact Participates in Seminar

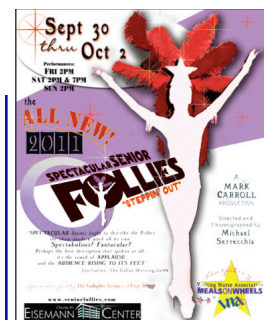

by Ley Waggoner

On a gorgeous Saturday morning, twelve Hillcrest H.S. Interactors attended the Dist. 5810 Training Seminar at Rockwall H.S. It was an excellent all-morning opportunity for the officers and directors of the Interact Club to meet with 145 other Interactors/Rotarians. There were seventeen clubs from all over the District in attendance. They heard from DG Bud McBrayer, RYLA guru Mark Healy and many others.

Our Interact officers and directors were exemplary in showing leadership and offering many good ideas during the sessions. Rotarians who attended

the seminar were **Marshall Weaver**, **Andy Carothers** and PP **Ley Waggoner**.

LAST WEEK

Presiding: **Jim Mills**
 Invocation: **Bill Matthews**
 Pledge/Song Leader: **Karl Von Bieberstein**
 Introductions: **Will Reppeto**
 Photographer: **Ley Waggoner**
 Chair of the Day: **Barbara Barney**
 Speaker: **Bo Carter**
 Program: **College Football Today**

President **Jim Mills** called the meeting to order by asking "What makes a good Rotarian? Despite member participation, he concluded it was attitude, participation and service above

self. **Bill Matthews** gave the invocation and observed that **Mary-lynn Hargrave** was back today.

Karl von Bieberstein led the

Pledge of Allegiance, followed by "The Star Spangled Banner" and then a song that is a club tradition dating back to Wilbur Hawkins "Good Night, Irene."

Will Reppeto introduced our

visitors and guests, including long-distance visiting Rotarians from Columbia, SC, and former member **John Gilchrist** from Alexandria, LA.

Dax Seale announced The

Hub and the web advertisers of the week. He also said that a web sponsor is needed for November, and that there are three spots available on the back of The Hub. **Hoyt Neal** spoke on

the need for drivers for Meals on Wheels. Many older people rely on these meals as their main source of food. **Susan Harris** reported on

the success of the Adoption Carnival. She said there were about forty to fifty children aged nine to seventeen there, and that nineteen children have been adopted.

Eric Heitkamp invited members to the Program Committee meeting. **Cindy Cummings** brought

two flags from her trip to Hawaii.

Jim Evans introduced our speaker today,

Bo Carter. He started with a history of the conference system in college football. In 1897 the Southern Conference was organized with thirty-

four member schools. All travel was by rail or by horse and wagon. In 1932 some of the teams formed the Southeastern Conference. In 1956 some of the remaining teams organized the Atlantic Coast Conference. In the early days there were some intense football rivalries. In some of the old pictures Bear Bryant was wearing a football helmet all during the game because of the beer bottles being thrown from the stands. Changing conferences has been happening for the history of football. Brigham Young U. is the only independent school, and it is hard to do. BYU has its own in-house radio and TV network. Each university in the Southeastern Conference gets \$20 million to fund all of its athletic programs. However, it takes about \$25 million to fund a winning football team; a big school may spend as much as \$120 million. He remarked on the rebuilding that SMU has undergone since receiving the death penalty. It didn't play in 1988 and 1989, and then started the long rebuilding under Forrest Gregg. He believes that the current successes of SMU in going to bowl games for the last two years, speaks well of the work of June Jones. TV has changed everything in college football. ESPN is good for the fans, but is not as good for the coaches and the players. ESPN would like to have a super-conference with a playoff system. However, university presidents don't want it; playing in multiple bowl games would mean that the players attend fewer classes.

- How come "abbreviated" is such a long word?
- Christmas - What other time of year do you sit in front of a dead tree and eat candy out of your socks?
- Why is the third hand on a watch called the second hand?
