# My India Experience – Rotary International's Polio Eradication Efforts and So Much More

## Speaker: Kim Bramlage

Kim will share photos, history and stories from her recent trip to India as part of Rotary International's efforts to rid the world of polio. She joined other Rotarians from the U.S., Canada and Barbados for the country's National Immunization Day, partnering with the Indian government and the World Health Organization. In addition to becoming a "polio warrior" on this trip, Kim visited many historic sites and Rotary-funded projects throughout the Golden Triangle - Delhi, Agra, Jaipur. The experiences from this "bucket list" trip were incredibly beautiful, often disturbing and wonderfully eye-opening.
