An Introduction to The Hub at the Arcade

Rotary Calendar

**Vincent C. Lewis,
Director , University of Dayton
Crotty Center for Entrepreneurship
President, The Hub powered by
PNC Bank**

In April 2019 a new joint venture created by the University of Dayton and Dayton's Entrepreneurs Center signed a 10-year lease to occupy 100,000 square feet of space in the iconic Dayton Arcade. The JV, Arcade Innovation Hub, or The Hub will be one of the largest university anchored innovation spaces in the country housing academic programs in entrepreneurship, art and design and social innovation. The space will also include co-working and co-share space for startups, small businesses and others that wish to be connected to the startup ecosystem in the region. Th Hub powered by PNC Bank will truly be the nucleus of entrepreneurial activity in the Dayton region.

This Happened Last Monday

President Jean Maychack called the May 18th meeting to order via ZOOM with 83 Rotarians and guest on the call and announced it would be a busy meeting. She thanked Fran Rickenbach for the pre-meeting Zoom training. Bill Nance gave an invocation regarding worry—worry doesn't empty tomorrow of its troubles but it drains today's strengths. He then led the group in the 4-Way Test and the Pledge of Allegiance. He then shared the news of the day including his dumb criminal story.

Secretary Kim Bramlage introduced the guests of the day which included Cory Paul and Lynne Gump from the ARC and Michelle Beer guest of Walt Hibner, Mary Bane guest of Georgie Woessner. Also on the meeting today our youth exchange student Augusto Oliveira and our speaker Marti Taylor and visiting Rotarian Chuck Watts from the Wilmington AM club.

Iris Juergens, Red Ribbon Committee Chair promoted the June 22nd take over meeting. The group has a goal of raising \$10,000 to provide meals to the VA Fundraiser for the Food Bank. So far they have raised \$2725 through the online link.

Secretary Kim then announced birthdays for the week which included Bill Nance, Jacquie Powell, Steve Rubenstein, Fred Abrams and Susan Hayes. She then called for voluntary Day-10s. Jim Gallagher gave a Day-25 to thank Fran for the zoom training and to celebrate getting a haircut this week for the first time in two months. Charlie Simms gave a Day-1000 for his Lasley Fellowship to they received a PPP loan and they are turning around and giving money to other companies in need. Holly Wiggins gave a Day-10 for those Rotarians in the news this week and also to announce DP&L grant for Rebuilding Together Dayton to help rebuild from tornados. Susie Weaver gave a Day-500 for her Lasley Fellowship for her granddaughter Madison who is graduating with honors; her son who is turning 50; for her grandson Jack graduating from St. Louis HS; and for her future granddaughter in laws upcoming graduation. Wendy Lewis gave a Day-100 for her company Logos@Work for online orders they are donating \$10 back to local restaurant workers. Dennis Grant gave a Day-25 to announce that URS is still trying to provide childcare services and will be holding a Town Hall Zoom meeting tomorrow. ...Continued on page 3

Rotary Book Club

The Rotary Book Club held their first Zoom book club meeting this week and it just wasn't the same as being in person huddled around a table looking each other in the eye and gathering to discuss a book. But in light of the circumstances, we made it work. It was a small group and our discussion was a little shorter than usual and then we selected our next book.

*Our next book is **Final Exam** by Pauline Chen, a surgeon. This book is recommended by Glenn Costie who heard the speaker talk when she came to Ohio Hospice. She addresses how difficult it is for a Dr. to lose a patient since it wasn't something she learned much about in Med School. Her Asian perspective is interesting and she helps families ask better questions around end of life.*

Our next meeting is scheduled for Tuesday, July, 14, 2020. Looking ahead we don't know if we will be meeting in person or doing a Zoom call. Meetings in 2020 are: **7/14/2020, 9/8/2020, 12/8/2020.**

This Happened Last Monday Continued

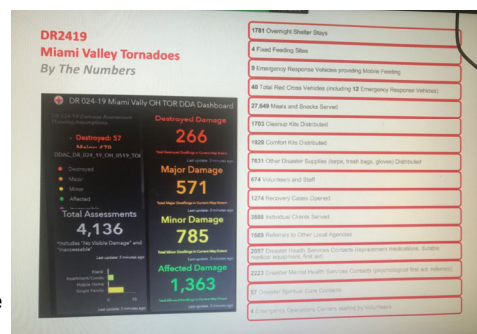

David Williamson gave a Day-70 (\$10 for each of 7 months) that Augusto has been staying with them and bidding him a fond farewell as he returns to Brazil this week. John Lyman gave a Day-100 in honor of his son and fiancé getting married on Sunday—it was to be a big affair but now will be held in John's yard. Linda Groover gave a Day-20 for all the graduate including her daughter and her friends at Fairmont and a Day-20 in honor of Laura and her step-father's passing. Shaun Yu gave a Day-50 in honor of his son, Jonas who is a Senior at Springboro HS and is graduating and has committed to going to OSU in the Fall. Ken Herr gave a Day-20 from his workshop. Steve Naas gave a Day-40 via chat to acknowledge that 40% of attendees online were

women.

President Jean Maychack then asked Holly Wiggins to remind the group about the Dayton Rotary Foundation Sponsorship of the Tip Jar Event on May 30th which is a Relief Fundraiser for those in the restaurant industry. The event will be live streamed on Facebook. <https://www.facebook.com/events/536847696985867/>

Next on the agenda was a farewell presentation from Augusto on his country Brazil and the time he spent here in the USA. Brazil is divided into 5 Region States and his comes from the city Coronel Fabriciano. He is part of an interact club in his city where his friends have helped shape him into who he is today. He thanked the club for hosting him for this life changing experience.

Next up was Cory Paul, former Dayton Rotarian giving a one-year anniversary report on Tornado Recovery and what the Red Cross did in the days of recovery to update the group on how the funds we raised were spent to help the community. Cory is now in the Columbus Area and he introduced everyone to Lynn Gump who is the Dayton Area Chapter Executive. Cory recounted that May 27th of 2019 our area was struck with multiple tornadoes. Red Cross had over 600 volunteers and employees working alongside many local groups to deliver relief to survivors. They distributed 1000s of bottle of water. He shared with us a chart of numbers and statistics of all that the Red Cross did to help the community which included overnight shelter stays, feeding sites, meals and snacks served, comfort kits, clean up kits among many other services.

President Jean Maychack then called on our speaker of the day, Marti Taylor, President & CEO of OneFifteen is a not-for-profit healthcare ecosystem dedicated to the full and sustained recovery of people suffering from addiction. The organization got its name because in 2017 115 lives were lost each day from unintended overdose in the US each day. It is now around 130 per day, 13 a day in Ohio and with the pandemic numbers are going up. Drug overdoses right now are up due to people feeling alone and isolated they are also seeing people relapse with all the anxiety right now with the virus and uncertainty. They have had to pivot their care during this crisis and balance how to take care of patients while also keeping their employees safe. They have instituted Telefirst Care as most services are now handled online or by telephone. They have a 24/7 nurse line and have treatment groups being held online and expanded access to addiction medication. They are looking at how to get back into groups being able to meet in person as they can.

OneFifteen's mission is to heal people experiencing substance use disorder through learning, science and partnership. The opposite of addiction isn't sobriety it's connection. They opened an Outpatient Clinic in October and have served over 950 people and a Crisis Stabilization unit on the first floor of the former Kindred Hospital in February (think of like an urgent care for addiction) and have plans for inpatient residential on the 3rd floor of the building with 32 beds hopefully opening this fall. They are also under construction with a Residential Treatment Campus for Sober Living being constructed behind the Job Center. That will serve 58 clients at a time 2 per room in door like facilities with male and female units separated. The top floor will be sleeping quarters and the middle floor will be living spaces and kitchen facilities and the first floor will feature reflection spaces.

Marti reviewed their partners Verily (sister company to google) and Founding and Funding partners Kettering Health Network, Premier Health, Verily, Alexandria, Montgomery County, Montgomery County Alcohol Drug Addiction and Mental Health Services and their operating partner, Samaritan Behavioral Health who provides the clinical care. Community Partners include: CityWide, City of Dayton, Dayton Development Coalition, Greater Dayton Area Hospital Association, Carillon Civic Council, and Greater Edgemont Community Coalition. OneFifteen's vision is to lead a movement that gives people hope for today and offers communities a better tomorrow. They goes beyond the clinic to promote addressing the holistic needs of individuals, families and the community through programming.
