The estimated number of jobs to be created withing the district is approximately

3,000 with an average salary of \$50,000. The only building that still remains from the former Fairgrounds is the Roundhouse building it is secured and will be repurposed and will be the Centerpoint of Roundhouse Plaza. Canal Park will be a point of function and beauty as it will be where storm water is collected. Other features of the District will include the Bluff which will connect the District to Downtown, Think Dayton Building and Plaza, The Community Trail (connecting the District to the River) and Main Street which will be the connecting seam and support multiple transportation modes.

Roundhouse Plaza

The Community's Living Room

Master Plan

Site preparation including dismantling Barn 17 for reconstruction at Carillon Park and securing the Roundhouse. Then moved on to demolition of 19 structures.

OnMain's Development Approach: set the stage for development and own the underlying land in perpetuity, establish the site layout and the design guidelines and create the platform for development, seek partners who share our vision and commitment and allow them to secure financing via long term leases.

Function and Beauty

Catalytic Building

- Iconic
- Innovative
- Imaginative
- Inclusive

onMain

A catalytic building, supported by each of the partners, serves as an anchor for the initial phase of development of the district and shows momentum. The building would reflect the interest and needs of each institution.

Housing units will be residential worker housing making some units affordable for entry level positions for those who work around the district. Housing units will come in the second phase however.

Phase I Funding

- Premier and UD financing: \$7.5m - committed
- JobsOhio grant: \$3.5m - committed
- Developing infrastructure financing approach with CityWide, City of Dayton
- Seeking other sources for remainder of funds needed

Timing

- Initial Phase of Infrastructure ~Spring 2021*
- Think Dayton Building ~Fall 2021*

*tentative

onMain

Funding and Timing: At this point due to the Corona Virus the timing is tentative as Premier and UD are delaying spending with the unknown how things will recover from the Pandemic.

Rotary Book Club

Our next book is ***Final Exam*** by **Pauline Chen**, a **surgeon**. This book is recommended by Glenn Costie who heard the speaker talk when she came to Ohio Hospice. She addresses how difficult it is for a Dr. to lose a patient since it wasn't something she learned much about in Med School. Her Asian perspective is interesting and she helps families ask better questions around end of life.

Our next meeting is scheduled for Tuesday, July, 14, 2020. Looking ahead we don't know if we will be meeting in person or doing a Zoom call.

Meetings in 2020 are: **7/14/2020, 9/8/2020, 12/8/2020**.
