Deploying UAS in Response to the 2019 Dayton Tornadoes

Speaker: Dr Andrew Shepherd,

Executive Director and Chief Scientist,
Unmanned Aerial Systems
Sinclair College National UAS
Training and Certification Center

The approaching first anniversary of the 2019 Memorial Day tornadoes provides an opportunity to review and consider the response and recovery efforts made possible through the employment of Unmanned Aerial Systems (UAS) during that trying time. This presentation highlights the efforts of the Sinclair College National UAS Training and Certification Center in the immediate aftermath and ensuing weeks following the storms as the community sought to assess the damage and recover from one of the worst natural disasters to affect the region since the 1913 flood. Examples of the types of missions, variety of aircraft and sensors, range of data analyses and products, and review of collaborating stakeholders and partners will be provided.

Chair of the Day: John Lyman

Jean Maychack, out-going President, called the meeting to order at noon. Seventy-three Rotarians participated in the meeting. Jean announced that this was her final meeting as President and for the club for the fiscal year. It was a tough year for Dayton – the aftermath of the tornadoes, the Oregon District shootings, and COVID-19. Sadly, former Judge John Pickrel, the longest-serving judge on the Dayton Municipal Court bench and founder of its mental health docket, has passed away. Our deepest condolences to Judy Dodge. Laura Erbaugh's husband is in the hospital. Our best wishes to him for a speedy recovery. Thank you, Fran, for hosting today's meeting. Bill Nance gave the invocation, which was a leader's prayer in honor of the change of command at the Dayton Rotary. We prayed for the best concepts of leadership and the power of acting from love. Bill went on to lead us in the Four-Way Test. News of the Day included a Supreme Court ruling striking down a restrictive Louisiana law on abortion that violates the Constitution, 2.5 million COVID-19 cases with spikes in Arizona, Florida, Texas, and Alabama, and Pepsi joined a boycott against Facebook. Thieves in British Columbia stumbled across the corpse of an elderly man and notified police, thus getting arrested for their crime.

Kim Bramlage welcomed any guests and we were pleased to see that Assistant Governor Megan Manuel was at the meeting. She thanked Jean for her service and welcomed Brian as the new President. Need a social outlet? There is a virtual wine tasting on July 2nd at 6 p.m. BYOW(ine). Also, an in-person Rotary dinner out on July 16th at 6 p.m. at Carillon Brewing on the patio. Limited to 10 people, but spouses and guests are invited. RSVP to Laura for either or both events. A Survey Monkey went out on June 23rd with responses due by June 30th. Hopefully, everyone took advantage of the opportunity to provide feedback and input about Rotary membership. Happy Birthday to Hunter Goodman, Sarah Hippensteel Hall, Commissioner Carolyn Rice, Dave Williamson, Leronda Jackson, and Sandy Gudorf. Day-10s were generously given by the following: Kim Bramlage, Day-10 in honor of the free COVID-19 testing of 2200 people, a joint effort by the National Guard and Five Rivers Health; Ken Herr, Day-25 in honor of spending time in Cincinnati ...Continued on page 3

at his daughter's building a deck; Jean Maychack, Day-100, \$10 for each of the 10 fabulous Board members she has served with this past year; Cassie Barlow, Day-100 as a thank you for the Dayton VA Foodbank fundraiser where 78% of the goal was reached and 46,980 meals were bought by our group; Dave Williamson, Day-100 for his birthday and appreciation for the wine tasting that will be held on his birthday and for reaching his term limit for the Dayton Human Race Theatre Board; Carolyn Rice, Day-100 in honor of Judge John Pickrel; and Sarah Hippensteel Hall, Day-100 in honor of her birthday.

Jean reminded everyone that our exchange student was in Brazil this past year. Steve Naas, as the Youth Exchange Officer, introduced Jadoria McClendon. Jadoria (JJ) is a recent DECA graduate and is leaving in July for her appointment to the U.S. Air Force Academy. JJ talked about her experiences in Brazil. It was an emotional departure from Dayton as she left family and friends for her first host family. She felt at home quickly, though, with the family in their small city. She turned 18 while there and made many international best friends. Due to a death in the host family JJ went to a second host family and became very close to them. They help her to learn Portuguese, stayed with them for Christmas, travelled with them to Ubatuba, Brazil, and participated in a graduation ball. She also went to a district outing with a temporary host family and got to see another Brazilian city. Steve emphasized that the program is all about family and friends, which is exactly what JJ experienced!

Diane Welborn advised that the global grant was submitted with the goal to bring clean water to a village in Ecuador. Of the \$75,000 project cost, they are hoping for \$20,000 from the district, \$33,000 from the grant, and \$26,000 from our club and other clubs in our region. She extended her thank you to the International Service Project Committee.

Jean announced the Red Ribbon removal for two Rotarians: Carri Paschal and Katie Klain. Congratulations!

Frank Scott came on next to announce recognitions for the fellowship programs. For the Paul Harris Fellowship, recognition goes to Ken Herr, his 6th fellowship; Dave Williamson, his 2nd fellowship; Rick Schwartz, his 9th fellowship; and Greg Birkemeyer, his 3rd fellowship. For the JR

Woodhull Fellowship, recognition goes to Susan Hayes. For the Thomas Lasley Education Fellowship, recognition goes to Kim Bramlage and Rick Schwartz.

Jean thanked Greg Birkemeyer for being District Governor. She announced her official changing of the guard and her thanks to the Rotary officers and directors for making the year manageable and to Glenn Costie who is stepping down as Education Director. She announced that Brian Martin will be President, with Shaun Yu as President Elect, Walt Hibner as Vice President, Randy Domigan as Treasurer, and Kim Bramlage as Secretary. Her thanks to Brian for taking over a year early and to Laura, for moving so much through. Jean received several nice gifts including a framed certificate, two pieces of crystal, and gift card. Thank you, Jean, for your leadership!

Bill Nance conducted interviews of the outgoing and incoming Presidents. In response to his questions, Jean stated that her greatest accomplishment was being able to sustain the membership list during the last four months. Her greatest challenge was keeping things moving during the tornado aftermath, Oregon District shooting, and COVID-19, and continuing to help the Dayton Public Schools. Her advice to Brian is to have fun with it and to lean into the great folks who are in Rotary. Jean will now head up the Nominating Committee. Outside of Rotary, she is the President of Vancon, a construction company. Brian thanked Jean for her service and tutelage. When asked about his top priorities, Brian stated he wants to increase the club's financial sustainability and resilience, address the issue of lunches vs. dues only membership, increase our membership as we were dropping before the virus, diversify membership, consider small group meetings and other meeting options, continue the strategic plan goals of membership, education, peace, philanthropy. He would like to see the club put peace at the forefront and get involved in the issues of racism and the public health crisis. He encouraged everyone to send him a text or call him as he is open to talking about any ideas. Brian is the Executive Director of the Miami Valley Regional Planning Commission and has been there for 8 years.

Jean then put on the past President pin and Brian put on his President pin. Brian thanked Jean for her service and gave a Day-100 for the water project in her honor. President Brian announced our next meeting is July 6th via Zoom where Dr. Andrew Shepherd from Sinclair College will be our guest speaker. Happy 4th, everyone! We adjourned at 1:06 p.m.

Rotary Book Club

Our next book is ***Final Exam*** by **Pauline Chen, a surgeon**. This book is recommended by Glenn Costie who heard the speaker talk when she came to Ohio Hospice. She addresses how difficult it is for a Dr. to lose a patient since it wasn't something she learned much about in Med School. Her Asian perspective is interesting and she helps families ask better questions around end of life.

Our next meeting is scheduled for Tuesday, July, 14, 2020. Looking ahead we don't know if we will be meeting in person or doing a Zoom call.

Meetings in 2020 are:

7/14/2020, 9/8/2020, 12/8/2020. Any questions please contact Susan Hayes at sm.hayes@me.com or 937-750-7400
