- Please register asap to secure your spot. Registered entries limited to 180 cars.
- Our 1st Oct 2019 Car Show raised \$5000 for the Athelstone CFS just prior to the devastating fire season. As the show was postponed in Oct last year, due to covid, we decided to pre-donate \$5000 to the CFS in Nov last year when the funds were most needed rather than leave it till March this year after the Show. Consequently our goal is to fundraise \$10,000 this show and give them another \$5000 . We can only do that with your generous support.
